 **Nature's Own**

HERBAL REPELLENT FLEA POWDER

FOR USE ON DOGS AND CATS

NATURE'S OWN HERBAL REPELLENT FLEA POWDER

Formulated especially for use on dogs and cats, Nature's Own Herbal Repellent Flea Powder is a blend of the essential oils of natural herbs that will aid in controlling biting fleas and lice. This unique herbal powder leaves your pet smelling fresh and clean as all outdoors.

PRECAUTIONARY STATEMENT HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Do not treat puppies or kittens less than four weeks of age. Harmful if swallowed or absorbed through skin. Avoid breathing dust. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Obtain medical attention if irritation persists. Avoid contamination of feed and foodstuff.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply powder liberally to body, working in dust by brushing against the lay of the hair, allowing dust to penetrate to the skin. For best results give special attention to areas where hair is long and thick. Repeat as necessary.

For kennels and animal quarters, dust bedding and floor to prevent reinfestation.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store tightly closed in cool dry place away from heat and sunlight.

PRODUCT DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

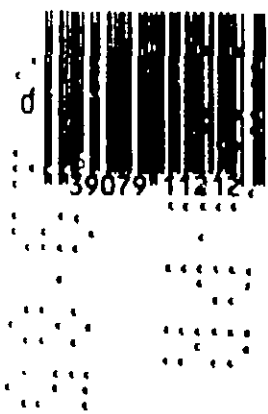

CONTAINER DISPOSAL: Do not reuse container. Dispose by wrapping empty container and place in trash collection.

Herbal Flea Halt!TM For Carpets

Herbal Home Flea Exterminator

Controlling fleas has always been a problem for pet owners. Many people find that after having treated their pets, the fleas simply move to a new area — the carpet. When applied for use in homes, this pleasantly scented powder can be used on carpets, mats and rugs. The insecticidal action of the pyrethrin contained in this powder operates like an herbal home flea exterminator and actually puts in the control of fleas where they hide — deep within the carpet pile — and not out in preventing the reinfestation of your pet.

Formulated specifically for use in homes, Farnam's Herbal Flea Halt is a blend of the essential oils of natural herbs that aid in controlling spring fever and lice. This unique herbal powder leaves your home smelling fresh and clean as all outdoors.

PRECAUTIONARY STATEMENT HAZARD TO HUMANS AND DOMESTIC ANIMALS CAUTION

Do not treat puppies or kittens less than four weeks of age. Avoid if pregnant or absorbed through skin. Avoid breathing dust. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Obtain medical attention if irritation persists. Avoid consumption of feed and forage.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CARPETS, MATS & RUGS: To aid in the control of fleas as well as freshen both the carpet and room, in one easy step, simply sprinkle Farnam's Herbal Flea Halt on carpets, mats and rugs by shaking container from side to side. Wait 1 hour, allowing dust to penetrate the carpeting, and then vacuum up dust. **IMPORTANT:** Be sure an insect is thoroughly covered with powder, including along baseboard, behind and under furniture and around door frames. For best results use at least once a week. In areas of high humidity, more frequent treatment may be necessary. Avoid use on wet floors. If product appears to spot, simply rub with a stiff nylon brush and vacuum.

SLEEPING & ANIMAL QUARTERS: Dust bedding and floor to prevent reinfestation.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store tightly closed in cool dry place away from heat and sunlight.

PRODUCT DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse container. Dispose by wrapping empty container and place in trash collection.
