SIGNATURE OF APPROVING OFFICIAL		DATE

166/18 12/20/83

3. Submit five (5) copies of your final printed labeling before your release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release shipment of the product constitutes acceptance of these conditions.

This registration is conditional upon Farnam Companies Inc. submitting and acceptable Storage Stability study to the Agency. There was some confusion in subject letter as to when the Agency would receive the Storage Stability data. Please clarify. In any event, the Storage Stability test data is due 15 months from the date of this Notice of Registration.

A stamped copy of the label is enclosed for your records.

Sincerely,

William H. Miller

Do not apply to food crops.

PHYSICAL HAZARDS

Flammable. Keep away from heat and open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Menokē Indoor-Outdoor Dog & Cat Repellent is a versatile repellent for puppies, dogs, kittens and cats. Use indoors or out to keep dogs and cats away from forbidden areas. An aid in training dogs and cats to stay off of furniture and rugs or out of forbidden rooms. Keeps your pet or stray pets away from garbage cans, flower beds, patios, lawn furniture and trees.

INDOOR USE: To break you pet of undesirable habits such as sleeping on furniture and rugs or to keep him out of forbidden areas. Spray the object lightly with Menokē until slightly moistened. Before spraying large areas of rugs, fabrics or plastics, test the effect of this product by treating a small, inconspicuous area. This product may stain or soften some fabrics or plastics. To avoid possible

damage, spray a piece of cloth lightly and place it on the object or area to be protected. Repeat daily, or as necessary, until undesirable habit is broken.

For best results, Menokē should be used together with consistent training. Scold your pet firmly every time he disobeys, and always praise him for good behavior.

OUTDOOR USE: To prevent your pet or stray animals from disturbing flower beds, areas of lawn, trees, shrubber, fences and patio furniture. Spray area to be protected lightly every day or every other day with Menokē. Reapply as often as necessary until undesirable habits are changed. Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants. Spray surrounding soil, or apply Menokē to a piece of cloth and affix near area.

Stray animals are frequently attracted to areas where pets have soiled with feces or urine. To discourage repeat visits, remove any droppings, clean area, and mask any remaining odor with Menokē. Bad habits will be broken faster if Menokē is used in conjunction with verbal scolding for misbehavior.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place inaccessible to children and pets and away from heat or open flame.

DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.
