Farnam Companies, Inc.
c/o Ms. Joyce B. Pazianos
Pazianos Associates
1338 G Street, SE
Washington, DC 20003

Dear Ms. Pazianos:

Subject: Amendment - Confidential Statement of Formulation/Label
Revisions
Farnam Crash Fly Spray
EPA Registration No. 270-251
Your Letter Dated July 24, 1990

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. Delete the "Makes it gentle on horse's skin" on the front label. Claims as to the safety of the pesticide or its ingredients in any form is unacceptable. We regret this was overlooked in our previous reviews.

Submit five copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

The basic Confidential Statement of Formula (CSF) dated May 1, 1990 indicating the corrected EPA Reg. No. for the source active ingredients is acceptable and a copy has been inserted in your file for the subject product. The alternate formulation dated July 11, 1990 with the removal of R-11 is acceptable and has been inserted into the file.

634

As of this date, we have not received the information requested about **Silicone Emulsion SEM-35** from you or your supplier as requested in our letter dated June 8, 1990. Please address this matter as soon as possible.

Sincerely yours,

George T. LaRocca

Do not induce vomiting or give anything by mouth to an unconscious person. **IF INHALED:** Remove victim to fresh air. Apply artificial respiration and/or seek medical attention if indicated. **IF ON SKIN:** Remove contaminated Clothing and wash skin thoroughly with soap and water. **IF IN EYES:** Immediately flush eyes with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply to any body of water. Do not contaminate water when disposing of equipment washwater.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for use on horses intended for human consumption. Wash hands with soap and water after each use. Shake well before using. To protect horses from Horse Flies, House Flies, Stable Flies, Face Flies, Horn Flies Deer Flies,

remove loose dirt and debris. For dirty horses, shampoo and rinse thoroughly. Wait until coat is completely dry before applying CRASH FLY SPRAY.

CRASH may be applied either as a spray or as a wipe. For horse's face, always apply as a wipe using a piece of clean, absorbent cloth, toweling (Turkish) or sponge. Wear rubber glove or mitt when applying as a wipe. Spray or wipe horse's entire body while brushing against the lay of the coat to insure adequate coverage. Avoid getting spray into horse's eyes, nose or mouth.

Application should be liberal for best residual results. Reapply every 5 to 7 days under normal conditions for initial applications. As protection builds, reapply every 10 to 14 days as needed.

Also, reapply each time animal is washed or exposed to heavy rain.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place.

PESTICIDE DISPOSAL: Securely wrap empty original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty can. Wrap can and put in trash.
