---

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for use on horses intended for human consumption. Wash hands with soap and water after each use. Shake well before using.

To protect horses from Horse Flies, House Flies, Stable Flies, Face Flies, Horn Flies, Deer Flies, Gnats, Mosquitoes, Lice, Ticks and Deer Ticks that may transmit Lyme disease: thoroughly brush the horse's coat prior to application to remove loose dirt and debris. For dirty horses, shampoo and rinse thoroughly. Wait until coat is completely dry before applying FARNAM CRASH FLY SPRAY.

**BEST AVAILABLE COPY**

FARNAM CRASH FLY SPRAY may be applied either as a spray or as a wipe. For horse's face, always apply as a wipe using a piece of clean, absorbent cloth, toweling (Turkish) or sponge. Wear rubber glove or mitt when applying as a wipe. Spray or wipe horse's entire body while brushing against the lay of the coat to insure adequate coverage. Avoid getting spray into horse's eyes, nose or mouth.

Application should be liberal for best results. Reapply every 5 to 7 days under normal conditions for initial applications. As protection builds, reapply every 10 to 14 days as needed. Also, reapply each time animal is washed or exposed to heavy rain.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place.

PESTICIDE DISPOSAL: Securely wrap empty original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty can. Wrap can and put in trash.
