Dr. Leland Veith
Farnam Companies, Inc.
301 West Osborn
Phoenix, AZ 85013-3928

Dear Dr. Veith:

Subject: Revised Labeling and Confidential Statement of Formula
Farnam Crash Fly Spray
EPA Registration No. 270-251
Your Submission Dated January 24, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

At the next label printing add "Do not use on horses to be used for human consumption," since all inerts are not cleared under 180.1001 (e) (exemption from the requirement of a tolerance).

Your CSF dated January 25, 1991 is acceptable and is now the basic formulation for your product.

Sincerely,

George T. LaRocca
Product Manager 13
Insecticide-Rodenticide Branch
Registration Division (H7505C)

CAUTION: IRRITANT: For external use only. Avoid contact with eyes, skin or mucous membranes of head. Wash hands & contact with eyes or mucous membranes. Avoid contamination of food.

STATEMENT OF IF SWALLOWED: Contact a physician or 2 glasses of water and induce vomit by administering syrup of ipecac. Do not use emetic if patient is unconscious. If patient has had another such medical attention 8 hours, and vomit still thoroughly with soap and a sliver of water. Get medical attention if necessary.

This product is toxic to fish. Keep out of fish by cleaning of equipment or disposal of waste containing water when disposing of empty containers.

USE INSTRUCTIONS
 It is a violation of Federal law to use this product for use on horses intended for human consumption. Shake well before using.
 To protect horses from horse flies, house flies, mosquitoes, ticks and deer ticks that may transmit grave to application to remove ticks, and ticks. Wait until coat is completely dry before applying. Tri-Tec may be applied either as a spray or as a wash using a glass of clean, abundant water, swirling when applying as a wash. Spray or wipe horse's coat to insure adequate coverage. Avoid getting in eyes. Use for both outdoor and indoor applications. As protection builds, apply only once until it is washed or exposed to heavy rain.

STORAGE AND DISPOSAL
STORAGE: Store in a cool, dry place.
PESTICIDE DISPOSAL: Burn or bury in accordance with local regulations.
CONTAINER DISPOSAL: Do not reuse empty containers.
