JUN 19 2012

Subject Amended Reregistration Label
Product Name Farnam Crash Fly Spray
EPA Registration Number 270 251
EPA Decision Numbers 437109 412283 411218 397736

Dear Ms Chavez

The Agency in accordance with the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) as amended has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Piperonyl Butoxide Pyrethrins Cypermethrin and Butoxy Polypropylene Glycol and has concluded that your submission is acceptable

NOTE This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time

Please be reminded that 40 CFR Part 156 140(a)(4) requires that a batch code lot number or other code identifying the batch of the pesticide distributed and sold be placed on non refillable containers The code may appear either on the label or durably marked on the container itself and can be added by non notification per PRN 98 10

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below Any previously dated CSFs are superseded

Basic CSF dated October 17 2011
Alternate CSF dated July 8 2011

A copy of your label stamped Accepted is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product Products shipped after 12 months from the date of this amendment or the next printing of the label whichever

occurs first must bear the new revised label Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions If these conditions are not complied with the registration will be subject to cancellation in accordance with FIFRA sec 6(e)

If you have any questions about this letter please contact Samantha Hulkower at 703 603 0683 or hulkower.samantha@epa.gov

Sincerely

 Richard J Gebken

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and aquatic vertebrates To protect the environment do not allow pesticide to enter or run off into storm drains drainage ditches gutters or surface waters Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain

6/7

does not blow or wash pesticide off the treatment area Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling Do not use in outdoor residential misting systems Do not allow adults children or pets to enter the treated area or contact treated surfaces until sprays have dried Do not apply this product in a way that will contact any person or pet either directly or through drift Keep people and pets out of the area during application Exit area immediately and remain outside the treated area until sprays have dried Use only in well-ventilated areas

Not for use on horses or foals intended for slaughter Shake well before using To protect horses from Horse Flies House Flies Stable Flies Face Flies Horn Flies Deer Flies Gnats Mosquitoes Lice Ticks and Deer Ticks that may transmit Lyme Disease Thoroughly brush the horse's coat prior to application to remove loose dirt and debris For dirty horses shampoo and rinse thoroughly Wait until the coat is completely dry before applying CRASH FLY SPRAY CRASH FLY SPRAYS [Its] unique water resistant formula contains a special conditioner that binds to the hair shaft so it keeps working even in moist conditions or when the horse sweats Do not use more than 11 oz [328 mL] per animal Do not spray product when food is present

CRASH FLY SPRAY [This product] may be applied either as a spray or as a wipe For horse's face always apply as a wipe using a piece of clean absorbent cloth toweling (Turkish) or sponge Wear rubber glove or mitt when applying as a wipe Spray or wipe horse's entire body while brushing against the lay of the coat to insure adequate coverage Avoid getting spray into horse's eyes nose or mouth

Application should be liberal for best results Reapply every 5 to 7 days under normal conditions for initial applications As protection builds reapply every 10 to

14 days as needed Also reapply each time animal is washed or exposed to heavy rain

STORAGE AND DISPOSAL

Do not contaminate water food or feed by storage or disposal

PESTICIDE STORAGE Store in original container in a dry place inaccessible to children and pets If a leaky container must be contained within another mark the outer container to identify the contents Store pesticides away from food pet food seed fertilizers and veterinary supplies

PESTICIDE DISPOSAL AND CONTAINER HANDLING Nonrefillable container Do not reuse or refill this container **If empty** Place in trash or offer for recycling if available **If partly filled** Call your local solid waste agency for disposal instructions Never place unused product down any indoor or outdoor drain

Buyer assumes all risk of use storage or handling of this product not in strict accordance with directions given herein
