Schaumburg, IL 60173

Subject: Notification per PRN 98-10 – ABNs and minor label changes
Product Name: FARNAM CRASH! WIPE-ON INSECTICIDE/REPELLENT
EPA Registration Number: 270-253
Application Date: 8/18/2016
Decision Number: 520569

Dear Ms. Lawless:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

The alternate brand names “Endure Roll-On for Horses” and “Repel-X Lotion Fly Repellent for Horses and Ponies” have been added to the product record.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Angela Hollis at 703-347-0216 or via email at hollis.angela@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to be 'LAB' followed by a flourish, and the word 'for' written to the right.

IF SWALLOWED:	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Have person sip a glass of water if able to swallow. • Do not give anything by mouth to an unconscious person.

In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers or for product use information, call 800-234-2269. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment washwater, or rinsate. See Directions for Use for additional requirements.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter. Do not use on foals under 12 weeks old. Do not allow product to contact animal's eyes, nose, mouth, or sores during application. Do not apply near eyes and mouth. Apply sparingly around ears.

[DIRECTIONS FOR APPLICATION AS LOTION:] To protect horses from House Flies, Face Flies, Horse Flies, Stable Flies, Black Flies, ~~Horse-Horn~~ Flies, Deer Flies, Lice and Ticks and from biting gnats such as Punkies and No-see-ums: Thoroughly brush the horse's coat prior to application to remove loose dirt and debris. For best results, shampoo and rinse; wait until coat is completely dry and apply [FARNAM CRASH! WIPE-ON INSECTICIDE/REPELLENT] [~~Endure Roll-On for Horses~~][~~Repel-X Lotion Fly Repellent for Horses and Ponies~~][this product]. Using protective gloves or mitt, apply a light film of two (2) to four (4) fluid ounces (60-120 ml) over horse's entire body, or spot treat areas of the horse where flies gather. May be applied around superficial wounds and abrasions. Avoid direct application to eyes, nose and mouth.

[OPTIONAL DIRECTIONS FOR APPLICATION AS ROLL-ON: Remove cap from bottle. May be applied around superficial wounds and abrasions or spot treat areas of the horse where flies gather. Avoid direct application to eyes, nose and mouth. Replace cap after use.]

Repeat application as necessary but no more often than once every 5 to 7 days.
Wash hands with soap and water after use.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
