Schaumburg IL, 60173

Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Added ABNs, claims, and marketing graphics  
Product Name: FARNAM WIPE SPRAY II  
Admin Number: 270-263  
EPA Receipt Date: 08/22/2024  
Action Case Number: 00626639

Dear Bridget Maloney:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

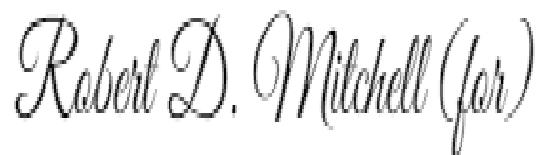

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

The alternate brand names: Farnam® Bronco® Gold Equine Fly Spray, Wipe® II Brand Fly Spray with Citronella, Farnam® Wipe® II Brand Fly Spray with Citronella have been added to the registration. Our records have been updated accordingly.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Elizabeth Fertich via email at [fertich.elizabeth@epa.gov](mailto:fertich.elizabeth@epa.gov).

Sincerely,

A handwritten signature in black ink that reads "Robert D. Mitchell (for)". The script is cursive and elegant, with the word "for" in parentheses at the end.

In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers or for product use information, call 800-234-2269.	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
NOTE TO PHYSICIAN	
Contains petroleum distillate – vomiting may cause aspiration pneumonia.	

## **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use in outdoor residential misting systems. Not for use on horses or foals intended for slaughter. Only spray in well-ventilated area. Do not allow the product to contact animal's eyes, nose, mouth, or sores during application. Do not use on foals under 12 weeks old. Do not apply more than once per day.

Applicators and other handlers must wear long-sleeved shirt and long pants, socks, shoes, and chemical-resistant gloves made of barrier laminate, nitrile rubber, neoprene rubber, or viton.

Farnam Wipe Spray II (Bronco Gold Equine Fly Spray)(Farnam Wipe II Brand)(Wipe II Brand) has been especially developed for use on horses. It provides a protective hair coating against flies while imparting a high sheen to the hair when brushed out. One to two ounces per head per day gives adequate protection. Apply by either soft cloth or fine mist spray.

**USE TO WIPE ON:** First, brush animal to remove excess dirt and dust. Moisten (but do not wet to the point of dripping) a soft cloth and rub over the hair. It is best to apply by rubbing against the hair growth. Give special attention to the legs, shoulders, shanks, neck and facial areas where flies most often are seen.

Only a light application is required. Avoid using an excessive amount on your horses. Do not wet skin.

After application, brush out thoroughly to bring out bright sheen on the coat.

Repeat daily or as required.

**USE AS A SPRAY:** Farnam Wipe Spray II (Bronco Gold Equine Fly Spray)(Farnam Wipe II Brand)(Wipe II Brand) may be applied as a fine mist spray to stable area and over and around stabled horses for fast paralysis and kill of flies. Do not wet horse's skin or exceed two ounces per application.

## USER SAFETY RECOMMENDATIONS

Users should:	<ul style="list-style-type: none"><li>• Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet</li><li>• Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.</li><li>• Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.</li></ul>
---------------	---

## ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not apply where run-off is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

## PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store upright at room temperature. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risk of use, storage or handling of this product not in strict accordance with directions given herein.
