270-300

Date of Issuance:  
23 APR 1996

Term of Issuance: Conditional

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration

Name of Pesticide Product: Equicare  
Flysect Super 7  
Repellent Spray

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Farnum Companies Inc.  
301 W. Osborn Rd.  
Phoenix, AZ 85013

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 270-300".
- b. In the directions for horses add the statement, "Not for use on horses intended for slaughter."

Signature of Approving Official:

RPK

Date:

23 APR 1996

page 2  
EPA Reg. No.

3. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

RPK

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For initial treatment, apply daily for 2-3 days. As infestation subsides, repeat treatment every 5-10 days or as prescribed by a veterinarian. Also re-apply every time animal is washed or exposed to heavy rain.

### USE ONLY IN WELL VENTILATED AREA HOLD BOTTLE IN UPRIGHT POSITION WHEN SPRAYING

**DOGS:** Cover animal's eyes with hands. With a firm stroke to get a proper spray mist, spray head, ears and chest until damp. With fingertips, rub into face around mouth, nose, and eyes. Then spray neck, middle and hind quarters, finishing legs last. For best penetration of spray to the skin, direct spray against the natural lay of the hair. On long haired dogs, rub your hand against the lay of the hair, spraying the ruffled hair directly behind the hand. Make sure spray thoroughly wets ticks. Repeat treatment as needed.

**HORSES:** Thoroughly brush the horse's coat, prior to application, to remove loose dirt and debris. For dirty horses, and as a preparation for show grooming, clean the coat with a quality shampoo. Wait until coat is completely dry before applying. Cover entire surface of animal with spray, but avoid getting product into horse's eyes or other sensitive areas such as mouth or nose. Brush coat against grain while spraying to insure adequate penetration of product. As a wipe, apply liberally with a clean cloth or sponge. Make sure spray has completely dried before covering with any tack.

### STORAGE AND DISPOSAL

**STORAGE:** Do not use or store near heat or open flame.

**DISPOSAL:** Do not reuse empty container. Wrap container and put in trash collection.

### PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals WARNING

**HUMANS:** Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles, face shield or safety glasses. Wear protective glove or mitt when applying this product. Wash thoroughly with soap and water after handling. Avoid breathing vapors. Do not smoke while using. Do not contaminate foodstuffs. Remove contaminated clothing and wash before reuse.

**ANIMALS:** Avoid contact with eyes or mucous membranes. Avoid treatment of nursing puppies and foals under 6 weeks of age unless prescribed by a veterinarian.

### STATEMENT OF PRACTICAL TREATMENT

**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. Avoid alcohol.

**IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.

**IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

### PHYSICAL OR CHEMICAL HAZARDS

**FLAMMABLE.** Keep away from heat and open flame. Contains alcohol. Do not apply to painted or finished wood surfaces.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not apply where runoff is likely to occur.
