Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Added alternate brand names, optional marketing statements, slogans, and optional graphic images.
Product Name: EQUICARE FLYSECT SUPER-7 REPELLENT SPRAY
Admin Number: 270-300
EPA Receipt Date: 08/05/2024
Action Case Number: 00624460

Dear Bridget Maloney:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

The alternate brand names: Farnam® Flysect® Super-7™ Repellent Spray, Flysect® Super-7™ Repellent Spray, Farnam® Super-7™ Repellent Spray, Super-7™ Repellent Spray, Farnam® Equicare® Flysect® Super-7™ Repellent Spray have been added to the registration. Our records have been updated accordingly.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Eric Ingram via email at ingram.eric@epa.gov.

Sincerely,

A handwritten signature in black ink, reading "Elizabeth Fertich". The script is elegant and cursive, with the first letters of each word being capitalized and larger than the rest of the letters.

| Have the product container or label with you when calling a poison control center or doctor, or going for treatment. | |

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. Keep away from heat and open flame. Contains alcohol. Do not apply to painted or finished wood surfaces.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use on horses only. For indoor or outdoor use. Not for use on horses under 6 weeks old or those intended for slaughter. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes, nose and mouth. Apply sparingly around ears. **Wash hands with soap and water promptly after use.** The preferred application time is at the end of the day once the animal is ready to rest. If used during the day, allow [product] to dry before turn-out of the horse. Avoid applying [product] if you expect the animal to be outdoors during a heavy rain.

USE RESTRICTIONS

Do not use in outdoor residential misting systems.

Only spray in a well ventilated area.

Do not spray product when food is present.

Do not apply this product in a way that will contact any person either directly or through drift.

Keep people out of the area during application.

Do not allow the product to enter indoor or outdoor drains . (No permita la entrada a desagües internos o externos.) Follow proper disposal procedures on this label. (Siga las indicaciones del etiquetado para el desecho apropiado del producto.)

Do not make applications during rain. Avoid making applications when rainfall is expected before the product has sufficient time to dry (minimum 4 hours).

For initial treatment, apply daily for 2-3 days. As infestation subsides, repeat treatment every 5-10 days or as prescribed by a veterinarian. If the product is removed from the horse by washing or exposure to heavy rain, reapply. Do not apply more than one time per day.

USE AS A SPRAY

USE ONLY IN WELL VENTILATED AREA. HOLD BOTTLE IN UPRIGHT POSITION WHEN SPRAYING:

Horses: May be used only for direct application to horses, indoors or outdoors in close proximity to the stable, or indoor premises (stables). Do not allow product to contact animal's eyes, nose, mouth, or sores during application. Thoroughly brush the horse's coat, prior to application, to remove loose dirt and debris. For dirty horses, and as a preparation for show grooming, clean the coat with a quality shampoo. Wait until coat is completely dry before applying. Cover entire surface of animal with spray but avoid getting product into horse's eyes, nose, mouth, or sores. Brush coat against grain while spraying to insure adequate penetration of product. As a wipe, apply liberally with a clean cloth or sponge. Make sure spray has completely dried before covering with any tack.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container in a dry place inaccessible to children and pets. If a leaky container must be contained within another, mark the outer container to identify the contents. Store pesticides away from food, pet food, seed, fertilizers, and veterinary supplies. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container.

Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for local disposal options. Do not pour or dispose of down-the drain or sewer.
