Phoenix, AZ 85013

Dear Ms. McColm:

SUBJECT: AEH Ready-To-Use Weed & Grass Killer  
Response To PR Notice 2000-3  
EPA Registration No. 270-318  
Application Dated: August 8, 2000

The label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following change:

1. Correct spelling of the word "contact" (contact) in the "IF IN EYES" box.
2. Add "Do not give anything by mouth to an unconscious person" to the "IF SWALLOWED STATEMENT."
3. In the "IF ON SKIN OR CLOTHING" box add the statement "Take off contaminated clothing."

A stamped copy is enclosed for your record. Please submit one copy of your final printed labels before you release this product for shipment.

Sincerely yours,

Joanne I. Miller  
Product Manager (23)  
Herbicide Branch

with COMMENTS  
In EPA Letter Dated

SEP 15 2000

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.  
270-318

- For Home Use Only

### [Optional Bullet Points]

- For Control of Weeds and Grasses
- Has No Soil Activity
- Fast Acting Formula Kills Actively Growing Weeds in 1-4 Days
- Fast Acting Formula
- Kills Weeds in 1-4 Days
- Kills Weeds - Roots and All
- Treated Areas Can Be Reseeded or Replanted 4 Days after Application
- Rainfastness in as Little as 4 Hours for Most Species
- Rain Proof in as Little as 4 Hours for Most Species
- Works in 24 Hours
- Starts to Kill in (the Same Day) (24 hours)
- Kills Right to the Root
- Kills Most Weeds in 1-4 Days
- Fast Acting

### ACTIVE INGREDIENT:

glufosinate-ammonium (CAS# 77182-82-2)..... 1.00%\*\*

OTHER INGREDIENTS:..... 99.00%

TOTAL 100.00%

\*\*Equivalent to 0.08 pounds of active ingredient per U.S. gallon.

KEEP OUT OF REACH OF CHILDREN

**CAUTION**

EPA Reg. No. 270-318

EPA Est. No.

Net Contents: [Various sizes up to 2 gallons]

Protected by U.S. Patent No. 4,400,196

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**Caution**

Causes eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Do not allow children or pets to enter treated areas until the spray has dried.

**Environmental Hazards**

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PRODUCT STORAGE:** Store this product in its original container. Store product in a secure storage area.

**PRODUCT DISPOSAL:** Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discarding in trash. In case of spill or leak, soak up with paper towels and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse empty bottle. Rinse thoroughly and wrap in several layers of newspaper before discarding in trash.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read the entire label before using this product and use only according to the label instructions.

AEH Ready-To-Use is pre-mixed and ready to apply. AEH Ready-To-Use is to be used as a "spot" treatment to kill weeds and grass around trees, shrubs, fences, walks, patios, driveways, sidewalks, in flower beds, around houses, buildings, wooded lots, storage and recreational areas and to spot kill weeds in lawns. This product is a weed and grass killer that will injure or kill most green vegetation contacted. It will kill most annual and perennial weeds, grasses and other unwanted vegetation. AEH Ready-To-Use will not interfere with seed germination or root growth of desirable plants. Treated areas can be reseeded or replanted 4 days after application.

**To avoid spray drift onto desirable plants, do not spray during windy conditions.** If spraying in areas adjacent to desirable plants, use a shield made of cardboard, plywood, or sheet metal while spraying to help prevent spray from contacting foliage of desirable plants. If spray contacts desirable plant foliage, immediately rinse the foliage with water. Avoid spray contact of foliage and green bark of desirable plants. To avoid tracking product onto desirable vegetation, keep people and pets off treated areas until the spray is thoroughly dried.

## HOW TO APPLY

Adjust nozzle to a coarse spray setting. Hold spray tip 1 to 2 feet away from the weed or grass and apply to thoroughly wet the weed or grass, but avoid spray run-off. Repeat treatments may be necessary to control plants generating from underground parts or seed. AEH Ready-To-Use works best in warm sunny weather with daytime temperatures above 60°F. Weed control may be reduced or delayed when applications are made to weeds under stress due to drought or cool temperatures.

## LIMITED WARRANTY AND DISCLAIMER

Buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions and usage. In no event shall seller's liability exceed the purchase price of this product.
