PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

Caution

Causes eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Do not allow children or pets to enter treated areas until the spray has dried.

Environmental Hazards

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PRODUCT STORAGE: Store this product in its original container. Store product in a secure storage area.

PRODUCT DISPOSAL: Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discarding in trash. In case of spill or leak, soak up with paper towels and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty bottle. Rinse thoroughly and wrap in several layers of newspaper before discarding in trash.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read entire label before using this product and use only according to the label instructions.

AEH Ready-To-Use is pre-mixed and ready to apply. AEH Ready-To-Use is to be used as a "spot" treatment to kill weeds and grass around trees, shrubs, fences, walks, patios, driveways, sidewalks, in flower beds, around houses, buildings, wooded lots, storage and recreational areas and to spot kill weeds in lawns. This product is a weed and grass killer that will injure or kill most green vegetation contacted. It will kill most annual and perennial weeds, grasses and other unwanted vegetation. AEH Ready-To-Use will not interfere with seed germination or root growth of desirable plants. Treated areas can be reseeded or replanted 4 days after application.

To avoid spray drift onto desirable plants, do not spray during windy conditions. If spraying in areas adjacent to desirable plants, use a shield made of cardboard, plywood, or sheet metal while spraying to help prevent spray from contacting foliage of desirable plants. If spray contacts desirable plant foliage, immediately rinse the foliage with water. Avoid spray contact of foliage and green bark of desirable plants. To avoid tracking product onto desirable vegetation, keep people and pets off treated areas until the spray is thoroughly dried.

HOW TO APPLY

Adjust nozzle to a coarse spray setting. Hold spray tip 1 to 2 feet away from the weed or grass and apply to thoroughly wet the weed or grass, but avoid spray run-off. Repeat treatments may be necessary to control plants generating from

underground parts or seed. AEH Ready-To-Use works best in warm sunny weather with daytime temperatures above 60°F. Weed control may be reduced or delayed when applications are made to weeds under stress due to drought or cool temperatures.

LIMITED WARRANTY AND DISCLAIMER

Buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions and usage. In no event shall seller's liability exceed the purchase price of this product.
