Farnam 2009
Insecticide

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Farnam Companies, Inc.
301 West Osborn
Phoenix, AZ 85013

Note: Changes in labeling of registered pesticides must be submitted to and accepted by the Registration Division. For correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Wet the animal thoroughly with warm water. Apply a 1-2 tablespoons (15 – 30 milliliters) of Farnam 2009 Insecticide (brand name) (shampoo) (this product) to various parts of the hair coat. Rub to produce abundant lather. Add more water if necessary to increase lathering.

To kill fleas, ticks and lice, let lather remain in hair coat for five minutes. Work lather into outer ear if ticks are present. Rinse hair coat with clean water. Repeat every 7 to 14 days.

PRECAUTIONARY STATEMENTS: CAUTION HAZARDS TO HUMANS AND DOMESTIC ANIMALS	
<p>HUMANS: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with skin. Wear goggles or face shield. Remove contaminated clothing and wash clothing before reuse. ANIMALS: Do not use on puppies or kittens less than 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.</p>
