NOV - 8 2001

Under the Federal
Fungicide, and
as amended,
registered use
270-337

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON HORSES, PONIES AND FOALS
NOT FOR USE ON HORSES INTENDED FOR SLAUGHTER

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

Before applying FARNAM X-5369-99 to your horse, brush him down thoroughly to remove loose dust and dirt. Moisten, but do not soak, a folded piece of Turkish toweling (approximately 12" x 15") or an Applicator Mitt with FARNAM X-5369-99. Rub briskly against the growth direction of hair. Give special attention to shanks, legs, shoulders, neck and facial areas of the horse where flies tend to cause the greatest problems. Add more FARNAM X-5369-99 to the applicator as needed, applying approximately one to two ounces for the total application on a daily basis (the variance will depend on the size of the horse). Groom with a brush.

To kill attached ticks, dab FARNAM X-5369-99 directly on the tick with a saturated cloth.

For use with Farnam Repellent Strips: Saturate strips with FARNAM X-5369-99, allowing excess FARNAM X-5369-99 to drain from strip prior to use. See Farnam Repellent Strip label for proper attachment to horse.

A FEW IMPORTANT POINTS TO REMEMBER:

- To keep the applicator moist, keep in an airtight container between uses.
- Daily applications of FARNAM X-5369-99 may build up repellency allowing a reduction in the amount used in subsequent applications.
- Apply in early morning for maximum efficacy.
- The amount of FARNAM X-5369-99 needed depends on temperature, humidity, and cleanliness of the horse's coat. Experiment with the amount applied to determine how much your horse needs.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION

HUMANS: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash hands before eating drinking, chewing gum, using tobacco or using the toilet. Use only Turkish toweling or FARNAM X-5369-99 applicator Mitt (not a substitute material) to apply FARNAM X-5369-99.

ANIMALS: Avoid contact with eyes, or mucous membranes. Avoid treatment of foals under 6 weeks of age unless prescribed by a veterinarian. Avoid using excessive amounts of FARNAM X-5369-99 on your horse. Do not soak the skin.

FIRST AID	
IF SWALLOWED	<ul style="list-style-type: none"> • Call a physician or Poison Control Center immediately for treatment advice. • Do not induce vomiting. • Do not give anything by mouth to an unconscious person • Avoid alcohol
IF ON SKIN	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 – 20 minutes. • Call a Poison Control Center or doctor for treatment advice.
IF IN EYES	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.
In case of emergency or for product information, call (602) 285	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment	
NOTE TO PHYSICIAN	
This product may pose an aspiration pneumonia hazard. Contains petroleum distillate.	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not contaminate water when disposing of equipment washwaters.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container in a cool, dry place, inaccessible to children and pets. Do not store near heat or open flame.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse empty container. Wrap container and put in trash.
