OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

Cheryl Purcell
Farnam Companies, Inc.
301 West Osborn Avenue
Phoenix, AZ 85014

Dear Ms. Purcell:

Subject: Farnam X-5369-99
EPA Reg. No. 270-327
Submission dated 9/15/03

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

In the directions for use, measures of liquid must be expressed in US customary units as fluid ounces, not ounces.

Delete the following statement:

Experiment with the amount applied to determine how much you horse needs.

If you have questions, please call Ann Sibold at 703 305-6502.

Sincerely,

Ann Sibold
you George LaRocca
Product Manager 13
Insecticide Branch
Registration Division (7505C)

EPA Reg. #270-327

EPA Est. #XXXX-XX-XX

NET CONTENTS: _____

READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON HORSES, PONIES AND FOALS

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter.

SHAKE WELL BEFORE USING

Before applying FARNAM X-5369-99 to your horse, brush him down thoroughly to remove loose dust and dirt. Moisten, but do not soak, a folded piece of Turkish toweling (approximately 12" x 15") or an Applicator Mitt with FARNAM X-5369-99. Rub briskly against the growth direction of hair. Give special attention to shanks, legs, shoulders, neck and facial areas of the horse where flies tend to cause the greatest problems. Add more FARNAM X-5369-99 to the applicator as needed, applying approximately one to two ounces for the total application on a daily basis (the variance will depend on the size of the horse). Groom with a brush.

To kill attached ticks, dab FARNAM X-5369-99 directly on the tick with a saturated cloth.

For use with Farnam Repellent Strips: Saturate strips with FARNAM X-5369-99, allowing excess FARNAM X-5369-99 to drain from strip prior to use. See Farnam Repellent Strip label for proper attachment to horse.

A FEW IMPORTANT POINTS TO REMEMBER:

- To keep the applicator moist, keep in an airtight container between uses.
- Daily applications of FARNAM X-5369-99 may build up repellency allowing a reduction in the amount used in subsequent applications.
- Apply in early morning for maximum efficacy.
- The amount of FARNAM X-5369-99 needed depends on temperature, humidity, and cleanliness of the horse's coat. Experiment with the amount applied to determine how much your horse needs.
