Re: Label Amendment
MGK 326 RED - EPA Reg. No. 270-327
Farnam X - 5369-99
Date of Submission: August 1, 2009

Dear Ms. Chavez:

The above referenced labeling submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. Please see enclosed copy of the stamped labels for your records.

If you have any questions, please contact Regina Foushee-Smith at (703) 605-0780

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Gebken".

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division (7505P)

ACCEPTED
10-7-09
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 270-327

Manufactured for:
Farnam Horse Products
A Division of Farnam Companies, Inc.
P. O. Box 34820
Phoenix, AZ 85067-4820

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON HORSES, PONIES AND FOALS**

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Humans: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating drinking, chewing gum, using tobacco or using the toilet. Use only Turkish toweling or FARNAM X-5369-99 Applicator Mitt (not a substitute material) to apply FARNAM X-5369-99.

Animals: Avoid contact with eyes, or mucous membranes. Do not treat foals under 12 weeks of age unless prescribed by a veterinarian. Do not use excessive amounts of FARNAM X-5369-99 on your horse and never apply more than one (1) time per day. Do not soak the skin.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> • Immediately call a Poison Control Center or doctor. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<p>If you suspect a reaction to this product:</p> <ul style="list-style-type: none"> • Discontinue use. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice.
In case of emergency or for product information, call (800) 234-2269	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
NOTE TO PHYSICIAN	
This product may pose an aspiration pneumonia hazard. Contains petroleum distillate.	

ENVIRONMENTAL HAZARDS
This product is toxic to fish. Do not apply directly to water or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. **Wash hands with soap and water promptly after use.**

SHAKE WELL BEFORE USING

Before applying FARNAM X-5369-99 to your horse, brush him down thoroughly to remove loose dust and dirt. Moisten, but do not soak, a folded piece of Turkish toweling (approximately 12" x 15") or an Applicator Mitt with FARNAM X-5369-99. Rub briskly against the growth direction of hair. Give special attention to shanks, legs, shoulders, neck and facial areas of the horse where flies tend to cause the greatest problems. Add more FARNAM X-5369-99 to the applicator as needed, applying approximately one to two fluid ounces for the total application on a daily basis (the variance will depend on the size of the horse). Groom with a brush.

To kill attached ticks, dab FARNAM X-5369-99 directly on the tick with a saturated cloth.

For use with Farnam Repellent Strips: Saturate strips with FARNAM X-5369-99, allowing excess FARNAM X-5369-99 to drain from strip prior to use. See Farnam Repellent Strip label for proper attachment to horse.

A FEW IMPORTANT POINTS TO REMEMBER:

- To keep the applicator moist, keep in an airtight container between uses.
- Daily applications of FARNAM X-5369-99 may build up repellency allowing a reduction in the amount used in subsequent applications.
- Apply in early morning for maximum efficacy.
- The amount of FARNAM X-5369-99 needed depends on temperature, humidity, and cleanliness of the horse's coat.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in original container in a cool, dry place, inaccessible to children and pets. If a leaky container must be contained within another, mark the outer container to identify the contents. Do not store near heat or open flame. Store pesticides away from food, pet food, seed, fertilizers, and veterinary supplies.

Pesticide Disposal: Nonrefillable. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
