Karen A. Sisson
Farnam Companies, Inc.
301 West Osborn
Phoenix, AZ 85013

Subject: Amendment: Submission of two CSFs to allow additional label claim
Farnam Purge Insecticide
EPA Reg. No. 270-330
Your Letter Dated September 29, 2003

Dear Ms. Sisson:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Replace "Wash thoroughly with soap and water after handling" with "Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco." in the Precautionary Statements.

We have reviewed the two confidential statement of formulas dated September 23, 2003 and find them acceptable. These two CSF's will be designated the "basic" formulations. All other CSF's are considered obsolete. The confidential statement of formula has been inserted in the file for the subject product.

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Sincerely,
BeWanda Alexander for
George T. LaRocca
Product Manager (13)
Insecticide Branch
Registration Division (7505C)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN & DOMESTIC ANIMALS**

CAUTION

Hazard to Humans: Causes moderate eye irritation. Harmful if swallowed or absorbed through the skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

If Swallowed ° Call a poison control center or doctor immediately for treatment advice.
° Have person sip a glass of water if able to swallow.
° Do not induce vomiting unless told to do so by a poison control center or doctor.
° Do not give anything by mouth to an unconscious person.

If Inhaled ° Move person to fresh air.
° If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible.
° Call a poison control center or doctor for treatment advise.

**If on Skin or
Clothing** ° Take off contaminated clothing.
° Rinse skin immediately with plenty of water for 15-20 minutes.
° Call a poison control center or doctor treatment advice.

If in Eyes ° Hold eye open and rinse slowly and gently with water for 15-20 minutes.
° Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.
° Call a poison control center or doctor for treatment advise.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor for treatment. You may also contact 1-602-285-1660 for emergency medical treatment information,

FARNAM B736 INSECTICIDE

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish and aquatic organisms. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS

Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use on horses intended for food use

Do not use on foals under three (3) months old

Ready to use, no dilution necessary

SHAKE WELL BEFORE USE.

Remove product tube(s) from child resistant package. Holding tube with narrow end pointing up and away from face and body, cut off narrow end of tube with scissors or snap off narrow end at notches. Apply one tube (10.0 mL) of product solution as follows:

- 1] 5 mL along the back line starting at the top of head behind the ears, along the base of the mane, down the dorsal midline to the base of the tail.
- 2] 1 mL to the top of the forehead under the forelock.
- 3] 1 mL as a stripe to the front of each foreleg, from the ankle to the knee.
- 4] 1 mL as a stripe to the front of each hindleg, from the ankle to the hock.

Do not use more often than once every two weeks.
