300 W. Osborn Rd.
Phoenix, AZ 85013

EPA EST#59578-FL-1

EPA REG #270-331

Net Contents _____ oz.

"Away From My Garden" ~~water~~ crystals is a different/unique kind of repellent. Absorbed by polymer crystals, the repellent provides continuous action by slowly releasing a strong, highly perfumed odor, confusing both dogs' and cats' senses of smell.

"Away From My Garden" is effective in most weather conditions. In dry weather, the moisture of the crystals is drawn into the soil. Rain may occasionally cause the crystals to grow. The repellent remains effective.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with this labeling.

SHAKE WELL BEFORE USING

USE RESTRICTIONS

Do not use in commercial food processing or preparation areas. In the home, cover all exposed food, food processing surfaces and utensils during treatment. Do not spray food or feed crops.

For both indoor and outdoor situations, use training whenever possible, including positive (praise) and negative (sharply spoken word backed up with disciplinary action) reinforcement.

This product repels dogs and cats for up to 24 hours when applied daily. Keeps pets away from furniture, carpet, trees, shrubs, garbage cans/bags, and other "forbidden areas".

INDOOR USE

Use indoors to break your pet of undesirable habits such as sleeping on furniture and rugs or to keep out of forbidden areas. Always use with consistent training. Praise your pet for good behavior and scold for bad behavior.

PRE-TREATMENT DIRECTIONS: Before applying to large areas of rugs, fabrics or plastics, test the effect of this product by treating a small, inconspicuous area. This product may stain or soften some fabrics or plastics. To avoid possible damage, apply a small amount of the water crystals to a piece of cloth and place it on the object or area to be protected.

APPLICATION DIRECTIONS: Apply this product to the object lightly with this product until slightly moistened.

RE-TREATMENT DIRECTIONS: Repeat daily, or as necessary, until undesirable habit is broken.

OUTDOOR USE

Use outdoors to prevent dogs and cats from disturbing flower beds, areas of lawn, trees, shrubbery, fences, patio furniture and garbage cans/bags.

NOTE: This product is not likely to break the established urination patterns of dogs unless it is used as a training aid.

PRE-TREATMENT DIRECTIONS: Stray animals are frequently attracted to areas where pets have soiled with feces or urine. To discourage repeat visits, remove any droppings and clean with water.

APPLICATION DIRECTIONS: Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants. Do not apply to food or feed crops. Lightly apply to surrounding soil. Only lightly scatter around new or soft lawns as the product could cause spotting or burning.

RE-TREATMENT: Repeat daily, or as necessary, until desirable habit is broken.

4/4

STORAGE AND DISPOSAL

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.

DISPOSAL: If empty: Do not reuse empty container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling.

FIRST AID	
Have label with you when obtaining treatment advice.	
If on skin or clothing	<ul style="list-style-type: none">•Take off contaminated clothing.•Rinse skin immediately with plenty of water for 15-20 minutes.•Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none">•Hold eye open and rinse slowly and gently with water for 15-20 minutes.•Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.•Call a poison control center or doctor for treatment advice.
