Back Panel

CAUTION COMBUSTIBLE MIXTURE
DO NOT USE NEAR FIRE OR FLAME

DIRECTIONS

To Spray: Remove protective cap from top of can. Hold dispenser upright and aim spray opening away from you. Hold container 8 to 12 inches from area being treated. Spray surface at rate of 1 to 2 feet per second. Leave surface slightly wet.

TO KILL ROACHES (including resistant strains), WATERBUGS, SPIDERS, CRICKETS: Spray infested areas around refrigerators, sinks, behind shelving, bookcases and other hiding places, particularly infested crevices, cracks, and baseboards. Repeat as necessary.

ANTS AND SILVERFISH: Same as above. Spray thoroughly ant trails, areas around door sills, window frames and other openings to the house. Repeat as necessary.

TO KILL CARPET BEETLES: Apply to localized area of the floor, baseboards and closet shelves and then work material into cracks where the insects may be found. Treat underside of carpets.

ACTIVE INGREDIENTS:

Pyrethrins.....	0.045%
*Tech. Piperonyl Butoxide.....	0.090%
N-Octyl Bicycloheptene Dicarboximide.....	0.150%
**Ronnel.....	1.000%
***Tech. Chlordane.....	1.500%
Petroleum Distillates.....	93.265%
INERT INGREDIENTS:.....	3.950%
	100.000%

*Equivalent to 0.072% (butyl carbityl) (6-propyl piperonyl) ether and 0.018% other related compounds.

**O-Odimethyl 0-2,4,5-trichlorophenyl phosphorothioate (U.S. Pat. #2599516).

***Equivalent to 0/90% Octachloro-4,7 Methano Tetrahydroindane and 0.60% related compounds.

CAUTIONS

Do not use as a space spray. This product is designed for spot and surface applications only. Do not spray food, humans or pets. In case of accidental contact, wash immediately with soap and water. Avoid inhalation. Contents under pressure - do not store where temperature exceeds 100°F. Do not puncture or incinerate container.
