**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS**

As a precautionary measure in case of contact, flush eyes with plenty of water. In case of irritation, contact a physician.

PHYSICAL OR CHEMICAL HAZARDS

Diluted or undiluted VectoBac Aqueous suspensions can cause corrosion if left in prolonged contact with aluminum spray system components. Rinse spray system with plenty of clean water after use. Care should be taken to prevent contact with aluminum aircraft surfaces, structural components and control systems. In case of contact, rinse thoroughly with plenty of water. Inspect aluminum aircraft components regularly for signs of corrosion.

DIRECTIONS FOR USE

General Classification

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Refer to Package Enclosure for application rates and general directions.

CHEMIGATION

Refer to Package Enclosure for use directions for chemigation. Do not apply this product through any irrigation system unless the supplemental labeling on chemigation is followed.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in original container.

DO NOT REUSE THIS CONTAINER OR FROM USE OF THIS PRODUCT IN ANY OTHER MANNER.

CONTAINER DISPOSAL: Empty containers may be recycled or disposed of in accordance with local, state, or federal regulations.
