WHITENS LAUNDRY
NYLON, DACRON,
ORLON, COTTONS, LINEN

★ Use CLARION Bleach in presoak-wash water or first rinse as desired. Add to water before adding laundry. For agitator type washers, use 1 cup CLARION Bleach per load. For tumbler washers, use 1/2 cup per load.

Use 2 tablespoons CLARION Bleach to 1 gallon COLD water. Soak stains 5 to 15 minutes. Rinse in clear water. Repeat if necessary. Also for removing fruit, berry, coffee, tea, wine, grass, blood, ink, medicine, scorch, or mildew stains.

**DO NOT USE ON WOOL, SILK,
UNFAST COLORS OR LEATHER**

CAUTION: If taken internally, take milk and call a physician. Keep out of reach of children and away from face when opening.

KEEP CONTAINER TIGHTLY CAPPED AND IN A COOL PLACE
DO NOT USE BLEACH WITH AMMONIA OR
TOILET BOWL CLEANERS
