**KEEP OUT OF REACH OF CHILDREN
DANGER**

First Aid

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

Note to Physician: Probably glycosidic damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

For Emergency Assistance Call 716-735-3765

PRECAUTIONARY STATEMENTS

Hazards to Humans (& Domestic Animals)

Danger

Harmful or fatal if swallowed. Corrosive. Causes eye damage and skin damage. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Use rubber gloves and face shield or goggles when handling. Avoid contamination of food.

Environmental Hazards

This product is toxic to fish, shrimp, crab, birds and other wildlife. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not use in a manner or at a time other than in accordance with label directions because animal, plant or crop injury, illegal residues or other undesirable results may occur.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

Physical or Chemical Hazards

Do not use or store near heat or open flame. Store in a cool, dry place.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide spray mixture or residue that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Do not reuse this container. To dispose of container, triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill, or bury in a safe place. Do not cut or weld this container. Consult Federal, State or local disposal authorities for approved alternative procedures.

Not for use or storage in or around the home.

Do not spray on Nectarines, ornamental Cherries, Liquidambar or Chrysanthemums as injury may occur. Do not store diluted spray. Make new dilution for each use. Corrosion of iron equipment may occur if not cleaned out following use of Dibrom 8 Miscible.

Read Entire Label. Use strictly in accordance with cautions, warnings and directions, and with applicable state and federal regulations. Observe days interval between last application and harvest indicated by number in () following crop. Apply as a conventional diluted spray or as a concentrate spray according to directions for control of both sucking and chewing insects listed. Ground Application (unless oth-
