**KEEP OUT OF REACH OF CHILDREN**

## WARNING

### STATEMENT OF PRACTICAL TREATMENT

**If swallowed:** Call a physician immediately. Drink one or two glasses of water and one ounce of syrup of ipecac, if available, and induce vomiting by touching the back of the throat with finger or blunt object. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.  
**If inhaled:** Remove victim to fresh air. Apply respiration if indicated.  
**If on skin:** Remove contaminated clothing and wash contaminated skin with soap and water.  
**If in eyes:** Flush eyes for at least 15 minutes with water. Call a physician if irritation persists.

**Note to Physicians:** Thiodan is a central nervous system stimulant. Treat symptomatically. There is no specific antidote.  
**For Emergency Assistance Call 716-735-3765.**

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans (& Domestic Animals)

##### Warning

Harmful if Swallowed, Inhaled or Absorbed Through Skin! Avoid breathing dust. Avoid contact with skin, eyes, or clothing. In case of contact with skin or eyes, flush with plenty of water for 15 minutes; for eyes, get medical attention. Wash with soap and water after handling and before eating or smoking; wear clean clothing. Avoid contamination of feed and foodstuffs. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. Workers entering treated fields within 24 hours of treatment should wear protective clothing.

#### Environmental Hazards

This product is toxic to fish, birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, ponds and streams. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from areas treated. Apply this product only as specified on the label.

This pesticide is toxic to bees exposed to direct application. Applications should be timed to coincide with periods of minimum bee activity, usually between late evening and early morning.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Dispose of container in an incinerator or landfill approved for pesticide containers or bury in a safe place. Consult Federal, State, or local disposal authorities for approved alternative procedures.

Thorough coverage to upper and lower leaf surfaces is necessary for good control. May be applied by ground or air.

**Strawberries:** Strawberry Fruit Rot, Strawberry Aphid, Spittlebug—Use 40 to 50 pounds per acre. Apply when insects or disease first appear and repeat as required to maintain control. During the fruiting period do not reapply within 15 days or more than twice within a 35 day period when fruit is present. Do not apply within 4 days of picking berries. For proper disease control new growth should be protected throughout the growing season. If additional applications are required for disease control within the time limitations of this product use a suitable fungicide.

**Dealers Should Sell in Original Packages Only.**

**Terms of Sale or Use:** On purchase of this product buyer and user agree to the following conditions:

**Warranty:** FMC makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Except as so warranted, the product is sold as is. Buyer and user assume all risk of use and/or handling and/or storage of this material when such use and/or handling and/or storage is contrary to label instructions.

**Directions and Recommendations:** Follow directions carefully. Timing and method of application, weather and crop conditions, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller and are assumed by buyer at his own risk.

**Use of Product:** FMC's recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice.

**Damages:** Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages.
