USAGE CAUTIONS

Applications of materials containing sulfur should not be made just prior to or during periods of excessively high temperatures.

1. The following information is being furnished to you for your information only. It is not intended to be used for any other purpose.

USAGE CAUTION: Do not allow this material to drift onto neighboring crop or non-crop areas or use in a field or at a time other than in accordance with a registered pesticide label. Because plant injury, excessive residues or other undesired results may occur.
