ETHION 0.625 CITRUS OIL

INSECTICIDE-MITICIDE-SCALACIDE

The oil in this product complies with specifications designated FC 435-66 for use on citrus as recommended in the Florida Citrus Spray and Dust Schedule.

DIRECTIONS FOR USE

Niagara Ethion 0.625 Citrus Oil is an emulsifiable spray oil intended for use in controlling certain scale insects, spider mites and whiteflies on grapefruit, oranges, tangelos and tangerines.

For citrus rust mite, Texas citrus mite, citrus red mite, Florida red scale, chaff scale and purple scale, use 2 to 3 gallons per 500 gallons of water. To mix, fill the tank 1/4 to 1/3 full with water and with agitator in motion add the required amount of this material. (If other materials are to be used in the same tank, it is suggested that they be added first, for ease in mixing, and then fill the tank with water and keep agitating. If an atomizer is used, first fill tank 1/4 to 1/3 full with water with engine running to provide adequate suction. Then place suction hose in measuring container at spray oil and suck into tank. Finally fill tank with water.

If additional treatments are necessary, do not apply within 30 days of previous treatments. Do not apply more than 2,000 gallons of spray per acre. May be applied up to day after harvest. In multiple applications of materials containing Ethion, increase susceptibility to cold injury. In areas with a high percent of the juice and rind of grapefruit, tangerines, do not apply more than twice per season. For best results with this product the following precautions should be observed: Do not pump this ma-

Dealers Should Sell in Original Packages Only.

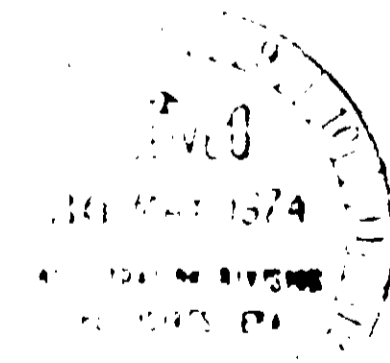

DO NOT ALLOW THIS MATERIAL TO DRIFT ONTO NEIGHBORING CROPS OR NON-CROP AREAS OR USE IN A MANNER OR AT A TIME OTHER THAN IN ACCORDANCE WITH LABEL DIRECTIONS BECAUSE ANIMAL, PLANT OR CROP INJURY, ILLEGAL RESIDUES OR OTHER UNDESIRABLE RESULTS MAY OCCUR.

TERMS OF SALE OR USE: Only on basis of use of this product buyer and user agree to the following conditions:

WARRANTY: FMC warrants that this product, as of the time of sale by FMC, conforms to the ingredient statement on the label and is reasonably fit for the purposes set forth in the Directions for Use, EXCEPT AS SO WARRANTED THE PRODUCT IS SOLD AS IS. FMC MAKES NO OTHER WARRANTY EXPRESS OR IMPLIED.

DAMAGES: Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages. Notice of any claim must be reported to FMC within 10 days of discovery by buyer or user, failing which buyer or user waives any claim for such damage.

EXEMPTION FROM NON-CONTROLLABLE CONDITIONS: Because of certain critical conditions created or incurred by buyer or user or over which FMC has no control, buyer and user, as a condition of purchase or use, assume responsibility for and release FMC from liability arising out of the handling or use of the product attributable to such causes. No person is authorized to deny or waive any statement contained herein.
