PRECAUTIONARY STATEMENTS

Hazards to Humans (& Domestic Animals)

Caution

Harmful if swallowed. Avoid inhaling dust. Avoid skin contact. Keep away from domestic animals, feed and foodstuffs.

Environmental Hazards

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from the areas treated. Do not apply where run-off is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Pesticide spray mixture or rinsate that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act. Dispose of bags according to approved Federal, State or local procedures under the Resource Conservation and Recovery Act.

C-O-C-S Zinc 24-24 is a material containing C-O-C-S, a fixed copper, and Basic Zinc Sulphate for use as a spray in combating certain diseases and where an insoluble zinc is recommended for correction of zinc deficiency.

Mixing Directions

Fill the spray tank half full of water. Slowly sift in the required amount of C-O-C-S Zinc 24-24 with the agitator running.

Directions for Application

Do not use this material on deciduous trees in foliage.

Apricots: Shot Hole Fungus—Apply 8 to 10 pounds C-O-C-S Zinc 24-24 plus 1 to 1 gallon Dormant Flowable Oil Emulsion per 100 gallons of water. Apply as a dormant spray and in spring at red bud period. Observe the caution statements on the oil label prior to use.

Grapefruit, Lemons, Oranges: For prevention of Brown Rot. Use 2 pounds per 100 gallons of water. Apply in the winter months. Spray the ground around the tree and the skirts of the trees to a height of 3 to 4 feet. Give particular attention to covering the fruit. Treat inside as

well outside, spraying trunks and skirts thoroughly (4 to 6 gallons per tree is usually adequate). Retreatment may be necessary. Do not disturb soil after treatment. Do not apply in areas where copper injury is known to occur or where fumigation with hydrogen cyanide gas is practiced.

Peaches and Nectarines: Apply the following recommended rates in a minimum of 300 gallons of finished spray per acre. Peach Blight and Peach Leaf Curl— Apply 6 to 8 pounds C-O-C-S Zinc 24-24 plus 1 to 1 gallon Dormant Flowable Oil Emulsion per 100 gallons of water. Apply as a dormant spray and in spring at bud swell. Observe the caution statements on the oil label prior to use.

Peaches and Nectarines (Preblossom to Petalfall): For the control of Peach Blight and Peach Leaf Curl use as a concentrate spray at the rate of 24 pounds per acre in 60-90 gallons of water applied by ground equipment.

Apricots (Preblossom to Petalfall): For the control of Shot Hole Fungus use as a concentrate spray at the rate of 24 pounds per acre in 60-90 gallons of water applied by ground equipment.

Dealers Should Sell in Original Packages Only.

Terms of Sale or Use: On purchase of this product buyer and user agree to the following conditions:

Warranty: FMC makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Except as so warranted, the product is sold as is. Buyer and user assume all risk of use and or handling and or storage of this material when such use and or handling and or storage is contrary to label instructions.

Directions and Recommendations: Follow directions carefully. Timing and method of application, weather and crop conditions, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller and are assumed by buyer at his own risk.

Use of Product: FMC's recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice.

Damages: Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages.
