SODIUM ARSENITE 4.0 SOLUTION

Gallons

DIRECTIONS FOR USE

ON GRAPES to control Black Measles, Dead Arm, and Crown Gall use 2/3 - 3/4 gallon per 100 gallons of spray. Spray or swab the trunks and arms of affected vines during the dormant season. Keep spray off canes and spurs as much as possible. Special care should be taken to wet all old wounds thoroughly. The treatment should be given only after the vines have become completely dormant. During seasons when the vines never do become completely dormant, delay the treatment for another year. **The spray may be applied either before pruning (but at least 3 weeks after the first killing frost) or at least 4 weeks after pruning, but before the buds swell in the spring.** If a power sprayer is used, the pressure should not exceed 100 pounds. When treatment is planned, it is advisable to prune early in December and spray late in January or February. Use 300 gallons of spray per acre.

CAUTION: This material is hazardous and may injure grape vines if not properly applied. Anyone not experienced in its application is urged to contact the local Niagara Fieldman who is thoroughly experienced with the treatment procedure and work under his direction.

FUNGICIDE

EPA REG. NO 279-2871 AA

ACTIVE INGREDIENT:	BY WT.
Sodium Arsenite (NaAsO ₂ · HAsO ₂)	42.00%
INERT INGREDIENTS:	58.00%
	<hr/> 100.00%

Total arsenic and water-soluble arsenic each calculated as elemental arsenic not more than 26.5%.

CONTAINS 4 LBS. ARSENIC TRIOXIDE (As₂O₃)
PER GALLON AT 68° F.

DANGER - POISON

KEEP OUT OF REACH OF CHILDREN

ANTIDOTE: If swallowed, give a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Then give two tablespoonfuls of Epsom Salts or Milk of Magnesia in water, and plenty of milk and water. Have patient lie down and keep quiet. CALL A PHYSICIAN IMMEDIATELY.

DANGER: POISONOUS if swallowed. Keep people and animals away from chemical, empty drums and diluted spray. Do not contaminate feed and foodstuffs. Avoid getting spray or concentrate in the eyes, nose and mouth or on skin and clothing. Goggles should be worn by spray operators. If splashed in eyes, flush eyes out thoroughly with water and bathe with boric acid solution. SEE A DOCTOR. Do not breathe spray mist. In case of skin contact, wash off immediately. If skin itches and rash develops see a physician. Wash thoroughly after using. Wash contaminated clothing with hot soapy water before re-use.

USAGE CAUTIONS

This product is toxic to wildlife. Birds and other wildlife in treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Keep out of lakes, ponds and streams. Apply only as specified on the label.

DO NOT ALLOW DOMESTIC ANIMALS TO GRAZE TREATED AREAS. Keep spray and spray drift off all vegetation not to be killed. Keep livestock off treated area. Keep children out of treated areas. Do not contaminate irrigation ditches or water used for domestic purposes.

Wash and Rinse empty drums and spray equipment thoroughly with water. Bury the rinse in non-crop land away from water supplies. Empty containers should be smashed and buried with wastes.

Do not re-use the empty container.

Do not use in Undiluted Form Unless Specified. Do not use in combination with oil sprays. Do not store at temperatures below 39° F.

Not for use or storage in or around the home.

For Emergency Assistance Call
716-735-3765

Do not apply when weather conditions favor drift from the area treated. Do not apply when run-off is likely to occur. Do not use in a manner or at a time other than in accordance with label directions because animal, plant or crop injury, illegal residues or other undesirable results may occur.

Dealer Should Sell in Original Packages Only.

TERMS OF SALE OR USE: On purchase or use of this product buyer and user agree to the following conditions.

WARRANTY: Niagara warrants that this product, as of the time of sale by Niagara, (1) conforms to the ingredient statement on the label and (2) is reasonably fit for the purposes set forth in the Directions for Use. EXCEPT AS SO WARRANTED THE PRODUCT IS SOLD AS IS. NIAGARA MAKES NO OTHER WARRANTY EXPRESS OR IMPLIED.

DAMAGES: Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages. Notice of any claim must be reported to Niagara within 10 days of discovery by buyer or user, failing which buyer or user waives any claim for such damage.

EXCUSE FROM NON-CONTROLLABLE CONDITIONS: Because of certain critical conditions created or incurred by buyer or user or over which Niagara has no control, buyer and user, as a condition of purchase or use, assume responsibility for and release Niagara from liability arising out of the handling or use of the product attributable to such causes. No person is authorized to vary or waive any statement contained herein.
