FMC Label

FURADAN 5 Granules

EPA Reg. No.

279-2874

PROPOSED NEW USECROPTO CONTROLREMARKS

Rice

Rice Water Weevil
Dark Rice Field
Mosquito

For use in Arkansas, Louisiana, Mississippi and Texas: Apply 10 pounds of FURADAN 5 Granules per acre one day before or within 21 days after flooding. Do not make more than one application per season. The subsequent use of propanil herbicide may result in crop injury.

For effective control of the dark rice field mosquito, application must be made within 2-4 days after flooding.

Rice Water Weevil

For use in California: Apply 10 pounds of FURADAN 5 Granules per acre prior to flooding and planting. Do not make more than one application per season. The subsequent use of propanil herbicide may result in crop injury.

USAGE CAUTIONS

Dispose of wastes by burying in non-crop lands away from water supplies. Container should be disposed of by burying with waste or burning. Keep out of smoke. Do not reuse empty bags.

NOTE: The remarks have been revised according to comments in Mr. Herbert Harrison's September 14, 1973 letter.
