

Code 935.41

# PYRENONE<sup>®</sup> DIAZINON<sup>®</sup> E. C.

## DIRECTIONS FOR USE

This concentrate should be diluted in water before use at a rate of 1 part concentrate to 15 parts water (or 1/2 pint of concentrate in 1 gallon of spray).

To control cockroaches, ants, spiders, waterbugs, silverfish and crickets:

**IN FOOD HANDLING ESTABLISHMENTS** - Places other than private residences in which exposed food is held.

**FOOD AREAS - APPLICATION LIMITED TO CRACK AND CREVICE TREATMENT ONLY.**

Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing) preparing, edible waste storage, enclosed processing systems (mills, dairies, edible oils, syrups), and serving areas (when food is exposed and facility is in operation).

Dilute as directed and apply in small amounts directly into cracks and crevices using equipment capable of delivering a pin stream of insecticide in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where these insects hide. Do not use this product in conduits, motor housings and electrical switch boxes. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

**APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.**

**SERVING AREAS** - Facilities where foods are served such as dining rooms, but excluding areas where foods may be prepared or held, apply as a spot treatment to selective surfaces, such as baseboards, under elements of construction and into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed).

**NON-FOOD AREAS** - Including garbage rooms, lavatories, floor drains (to sewers) entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning or bottling). Apply to baseboard areas, around water pipes, surfaces behind and beneath sinks, lockers, tables, pallets, and similar areas where insects hide or through which they may enter. Repeat treatment as required.

To control carpet beetles: Spray edges of carpeting and under carpet and rugs. Make localized application to the floor and baseboards. Spray directly into cracks, crevices, closets and infested areas of shelving. Repeat treatment if reinfestation occurs.

To control brown dog ticks: Thoroughly spray sleeping quarters of animals. Spray infested areas around baseboards, windows and door frames and wall coverings. Fresh bedding should be provided for animals after treatment. Do not treat animals. Repeat treatment as necessary.

As an aid in reducing the annoyance of flies, mosquitoes, wasps and flying moths: Spray outdoor surfaces of screens, windows, door frames, light fixtures and other areas where these pests may enter. Also spray protected resting places including porch ceilings and under eaves. Repeat treatment when effectiveness diminishes.

Fleas, chiggers and ants outdoors: For treatment of localized infestations of these insects in outdoor areas, spray weeds and brushy areas around the home or buildings thoroughly. Avoid spraying desirable plants. For ants, thoroughly wet the soil under the nest. Repeat as often as necessary.

## Insecticide

EPA Reg. No. 279-2935 EPA Est., 279-NY-1

## FOR PEST CONTROL OPERATOR USE ONLY

**A Water - Emulsifiable Residual Concentrate with Flushing and Quick Knockdown Characteristics**

**Kills Resistant Roaches -**

**For Indoor or Outdoor Use**

## ACTIVE INGREDIENTS:

Pyrethrins . . . . .	0.94%
*Piperonyl Butoxide, Technical . . . . .	4.71%
**0,0-diethyl 0-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate . . . . .	9.00%
Aromatic Petroleum Derivative . . . . .	75.24%
Petroleum Distillate . . . . .	3.76%
INERT INGREDIENTS: . . . . .	6.35%
	<hr/>
	100.00%

\* Equivalent to 3.768% (butyl carbityl) (6-propylpiperonyl) ether and to .942% of related compounds

**CAUTION:** Harmful if swallowed. Do not allow spray to contact food, feed stuffs, or water supplies. Thoroughly wash dishes and food handling utensils if contaminated by this spray. May be absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling.

Remove pets and cover fish bowls before spraying. Do not allow children to contact treated areas until surfaces are completely dry.

This product is toxic to fish, birds and other wildlife. Be feeding on treated areas may be killed. Keep out of any body of water. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place.

**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.**

Dealers Should Sell in Original Packages Only.

**Terms of sale or use** On purchase or use of this product buyer and user agree to the following conditions

**Warranty** FMC warrants that this product, as of the time of sale by FMC, (1) conforms to the ingredient statement on the label, and (2) is reasonably fit for the purposes set forth in the Directions for Use. Except as so warranted the product is sold as is. FMC makes no other warranty express or implied.

**Damages** Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages. Notice of any claim must be reported to FMC within 10 days of discovery by buyer or user, failing which buyer or user waives any claim for such damage.

**Excuse from non-controllable conditions** Because of certain critical conditions created or incurred by buyer or user or over which FMC has no control, buyer and user, as a condition of purchase or use, assume responsibility for and release FMC from liability arising out of the handling or use of the product attributable to such causes. FMC is authorized to vary or waive any statement contained herein.
