

DIRECTIONS

Use as a spot treatment on localized surface areas only.

To operate: Holding can upright, orifice directed toward surface to be treated, press actuator button.

Cockroaches, Ants, Silverfish, Spiders, Crickets, and Earwigs: Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices, along baseboards and door sills and frames, behind and beneath sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. Spray ant trails, nests, and points of entry.

Brown Dog Ticks: Apply thoroughly as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Fresh bedding should be placed in animal quarters following treatment. Do not spray pets with this product.

Flies and Mosquitoes: Use only on outdoor surfaces. Spray outside surfaces of windows and door frames and other areas where these pests may enter the home. Also spray dark corners and localized resting areas, such as under eaves, porches, partitions, and in garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

USE PRECAUTIONS

Do not allow children or pets to contact treated surfaces until spray has dried.

Do not spray air in rooms or use on plants. Apply as a surface spray only as specified on this label.

Do not allow spray to contact food, feedstuffs, or water supplies. Thoroughly wash dishes and food handling utensils contaminated with this product.

Remove pets and cover fish bowls before spraying.

CAUTION: Harmful if swallowed! Avoid contact with eyes, skin and clothing. Avoid breathing vapors or spray mist. Flush contaminated eyes with plenty of water and get medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately. Keep away from food, feedstuffs and domestic water supplies. Do not smoke while using. Wash thoroughly after handling. Wash contaminated clothing before reuse.

NOTE TO PHYSICIAN: Contains petroleum distillate. If gastric lavage is deemed necessary, undertake only after proper placement of cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

WARNING: Flammable! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

P-D 0.25 Roach & Ant Pressurized Spray

EPA Reg. No. 279-2953

PYRENONE® Insecticide Provides Flushing Action and Fast Knockdown

Controls Cockroaches, Ants, Silverfish, Spiders, Crickets, Earwigs, and Brown Dog Ticks

Use In and Around Homes, Apartments, Garages, and Similar Household Structures

Use Outdoors as Aid in Reducing Annoyance from Flies and Mosquitoes Entering the Home
