PRECAUTIONARY STATEMENTS

Hazards to Humans (& Domestic Animals)

Warning

Avoid inhaling dust or spray. Do not get in eyes. May cause eye damage. The wearing of goggles is recommended. In case of contact with eyes, flush with running water for 15 minutes and get medical attention. In case of skin contact, wash thoroughly with warm water and soap. May be harmful if swallowed.

Environmental Hazards

This product is toxic. Keep out of lakes, ponds, and streams. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from the areas treated. Do not apply where run-off is likely to occur. Apply this product only as specified on this label.

Do not allow this material to drift onto neighboring crops or non-crop areas or use in a manner or at a time other than in accordance with label directions because animal, plant or crop injury, illegal residues or other undesirable results may occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Dispose of container in an incinerator or landfill approved for pesticide containers, or bury in a safe place. Do not reuse this container. Consult Federal, State or local disposal authorities for approved alternative procedures.

Usage Cautions

Do not use with lime, Bordeaux, lime sulfur, casein-lime spreaders or other alkaline materials.

Do not apply this product at any time following "Supreme" type oil applications. Do not apply within 21 days of other oil applications.

Do not use when air temperatures are above 95° F as leaf injury may occur.

Apply when air is calm, using ground or airplane equipment. Make thorough coverage of both upper and lower leaf surfaces and of fruit. Do not graze or feed cover crops grown among treated planting. Observe days interval between last application and harvest indicated by number in () following crop.

Grapes (14): Twospotted Spider, Pacific Spider, Strawberry Spider, and Willamette Mites—Use 40 pounds per acre. Do not apply more than twice per year.

Strawberries (West of Rocky Mountains) (8): Twospotted Spider, Pacific Spider, and Strawberry Spider Mites—Use 40 pounds per acre. Do not make more than 3 applications per crop season (bloom to harvest)

Dealers Should Sell in Original Packages Only.

Terms of Sale or Use: On purchase of this product buyer and user agree to the following conditions:

Warranty: FMC makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Except as so warranted, the product is sold as is. Buyer and user assume all risk of use and/or handling and/or storage of this material when such use and/or handling and/or storage is contrary to label instructions.

Directions and Recommendations: Follow directions carefully. Timing and method of application, weather and crop conditions, mixture with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller and are assumed by buyer at his own risk.

Use of Product: FMC's recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice.

Damages: Buyer's or user's exclusive remedy for damages for breach of warranty or negligence shall be limited to direct damages not exceeding the purchase price paid and shall not include incidental or consequential damages.
