Philadelphia, PA 19103

Dear Mr. Davis

Subject: Label Amendment
Fury® Technical Insecticide
EPA Registration Number: 279-3124
Application Dated: June 14, 2011
Decision: 451361

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

A stamped copy of the label is enclosed for your records.

Sincerely,

A handwritten signature in black ink that reads "Richard Gebken for".

Richard Gebken
Product Manager
Insecticide Branch
Registration Division 7504P

Enclosure: Copy Stamped Approved Label

Fury™ Technical Insecticide

An Insecticide for Formulating Use Only

EPA Reg. No. 279-3124 EPA Est. 279-

Active Ingredient

S-Cyano (3-phenoxyphenyl)methyl
(±) cis/trans 3-(2,2-dichloroethyl)-
2,2 dimethylcyclopropane carboxylate,
and related isomers* 88.00%

Other Ingredients 12.00%
100.00%

* Cis/trans isomer ratio: Max 55% (±) cis and Min. 45% (±) trans

KEEP OUT OF REACH OF CHILDREN WARNING

FIRST AID

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-331-3148 for emergency medical treatment information.

Note to Physician: Vomiting should be supervised by a physician or the professional staff because of the possible pulmonary damages by aspiration of the solvent.

For Emergency Assistance Call (800) 331-3148.

Fury_Technical Label Amendment June 2, 2011

PRECAUTIONARY STATEMENTS

Hazards to Humans

Warning

May be fatal if swallowed. Harmful if absorbed through the skin, eyes or clothing. Wash thoroughly with soap and water after handling. The active ingredient may cause sensitization in some individuals.

Environmental Hazards

This pesticide is toxic to fish, aquatic invertebrates, oysters and shrimp. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide for the following

use(s): Alfalfa and Nongrass Animal Feeds; Berries; Brassica (Cole) Leafy Vegetables Group; Bulb Vegetables; Canola (Rapeseed); Citrus; Field, Seed, and Pop Corn; Cotton; Cucurbit Vegetables; Fruiting Vegetables Group; Grapes; Grass Forage, Fodder and Hay and Grass Group for Seed; Leafy Vegetables Group; Legume Vegetables Group; Oilseeds; Peanut; Pome Fruits; Rice and Wild Rice; Root and Tuber Vegetables; Safflower; Sorghum; Soybeans; Stone Fruits; Sugarcane; Sugar Beet; Sunflower; Sweet Corn; Tree Nuts; Wheat; Cattle Ear Tags. Uses for which U.S. EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration, and uses for experimental purposes that are in compliance with U.S. EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate other pesticides, fertilizers, water, food or feed by storage or disposal.

Pesticide Storage

Do not store below 40°F.

Keep out of reach of children and animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Carefully open containers. After partial use, replace lids and close tightly. Do not put concentrate or dilute material into food or drink containers.

In case of spill, avoid contact, isolate area and keep out animals and unprotected persons. Confine spills.

Call FMC: 1-(800)-331-3148.

Pesticide Disposal

Pesticide wastes may be hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal

Nonrefillable container. Do not reuse or refill this container. Triple rinse (or pressure rinse) as follows:

Triple rinse: Empty the remaining contents into storage

container or a mix tank. Fill the container 1/4 full with

appropriate solvent. Replace and tighten closures. Tip

container on its end and tip it back and forth several times.

Turn the container over to its other end and tip it back and

forth several times. Empty the rinsate into a storage

container for later use or disposal, or into a mix tank for

product formulation. Repeat this procedure two more times.

Pressure rinse: Empty the remaining contents into storage

container or a mix tank and continue to drain for 10 seconds

after the flow begins to drip. Hold container upside down

over storage container or mix tank or collect rinsate for later

use or disposal. Insert pressure rinsing nozzle in the side of

the container, and rinse at about 40 psi for at least 30

seconds. Drain for 10 seconds after the flow begins to drip.

Then offer for recycling if available or puncture and dispose

in a sanitary landfill or by other procedures approved by

state and local authorities. If rinsate cannot be used, follow

pesticide disposal instructions. If not triple rinsed, these

containers are acute hazardous wastes and must be

disposed in accordance with local, state and federal

regulations. DO NOT cut or weld metal containers.

*An appropriate solvent would include a solvent that will

dissolve technical material. The rinsate may be used later to

formulate a product or may be disposed in accordance with

local, state and national environmental laws, rules,

standards and regulations.

This Material Requires Further Mixing Before Use

Formulators using this product are responsible for obtaining EPA registration for their formulated products.

ACCEPTED

JUL 19 2011

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 279-3124
