Date of Issuance:

AUG 14 2009

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product: FMC Mop Up

Name and Address of Registrant (include ZIP Code):

FMC Corporation
1735 Market Street
Philadelphia, PA 19103

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with section 3(c)(7)(A) of FIFRA provided that you:

1. Submit and/or cite all data required for registration of your product under section 3(c)(5) of FIFRA when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under section 4 of FIFRA.

(continued on page 2)

Signature of Approving Official:

See page #2.

Kimberly Nesci, Product Manager (11)
Insecticide Branch, Registration Division (7505P)

Date:

AUG 14 2009

2. Make the following change(s) to the label:

- a. Change the product registration number to "EPA Reg. No. 279-3372"

Enclosed is a copy of your label stamped with comments.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Submit two copies of your final printed labeling before you release the product for shipment.

Sincerely yours,

Kimberly Nesci
Product Manager (11)
Insecticide Branch
Registration Division (7505P)

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Wash hands thoroughly after handling. May cause eye irritation. Avoid eye contact.

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If In Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **HOT LINE NUMBER** - Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-331-3148 for Emergency Assistance.

For Information Regarding the Use of this Product Call 1-800-321-1FMC (1362).

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR APPLYING AS A MOP SOLUTION

USE RESTRICTIONS - Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuffs. In edible product areas of food handling establishments, apply to floor areas only. Any powder visible after application must be brushed into cracks and crevices or removed. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces. Do not apply when facility is in operation or foods are exposed.

APPLICATION WITHIN FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS

FOOD HANDLING ESTABLISHMENTS: Places other than private residences in which exposed food is held, processed, prepared, or served.

FOOD AREAS: Food areas include areas of receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage, enclosed processing systems (mills, dairies, edible oils, syrups) and serving areas (when food is exposed and facility is in operation also would be considered a food area). Apply by mopping onto floor surfaces. Any powder visible after application must be brushed into crack and crevices or removed.

SERVING AREAS: Facilities where prepared foods are served, such as dining rooms, but excluding areas where food may be prepared or held. Apply by mopping onto floor surfaces. Any powder visible after application must be brushed into crack and crevices or removed from selective surfaces such as baseboards and under elements of construction. Avoid treating surfaces likely to be contacted by food. Do not apply when facility is in operation or foods are exposed.

APPLICATION OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS MUST BE BRUSHED INTO CRACK AND CREVICES OR REMOVED IF ANY POWDER IS VISIBLE AFTER APPLICATION OF MOP UP SOLUTION ONTO FLOOR SURFACES.

MIXING AND APPLICATION DIRECTIONS - Add 1 cup of powder to each gallon of rinse water. Apply to floor areas only. Make only enough for each application. Supplemental treatment only. Reapply as necessary. Avoid treating surfaces likely to be contacted by food.

This product contains a heat-treated form of boric acid which is substantially more water soluble than other borate products. This product is a non-flammable, non-staining, odorless powder that will help control cockroach infestations and should be used in conjunction with a residual boric acid powder, or with your regular exterminating service.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in a dry place. Do not store where children or animals may gain access.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
