

LIVESTOCK DUST

To be used on Dairy Cattle, Beef Cattle,
Horses, Hogs, Sheep, and Dogs.

CONTENTS: 1 POUND

CAUTION: Keep Out of Reach of Children

FOR SHEEP - Apply 1 to 2 oz. Livestock Dust to sheep after shearing to control Fleas, Lice, and temporary relief from Ticks (Keds). Repeat application when necessary.

FOR DOGS - To control Fleas and Lice, apply in the same manner as for other animals.

U.S.D.A. Reg. No. 299-99

DIRECTIONS

For all animals listed except Dairy Cattle, use Livestock Dust on the neck, back, legs and under side. Dust may be rubbed slightly to insure that it has penetrated to the hair.

FOR DAIRY CATTLE

Control Horn Flies, Fleas, and Lice by using 1 to 2 oz. of Livestock Dust per animal. Apply the dust to the neck, head, and legs and body and under sides. Repeat application every 3 weeks.

FOR BEEF CATTLE, HORSES, AND HOGS

Control Horn Flies, Fleas, and Lice by using 1 to 2 oz. of Livestock Dust per animal. Repeat application when necessary, or when infestation occurs.
