LIVESTOCK DUST

TO BE USED ON DAIRY CATTLE, BEEF CATTLE, HORSES, HOGS, SHEEP, AND DOGS.

NET WEIGHT: 1 POUND

CAUTION: Keep Out of Reach of Children

ACTIVE INGREDIENTS:

*Technical Methoxychlor 11.00%

INERT INGREDIENTS: 89.00%

*2,2-bis (p-methoxyphenyl)-1,1,1-trichloroethane and other isomers and reaction products.

DIRECTIONS

On all animals listed except Dairy Cattle, use Livestock Dust on the neck, back, legs, and upper sides. Dust may be rubbed in lightly to insure that it has penetrated into the hair.

FOR DAIRY CATTLE—To control Horn Flies use no more than 1½ oz. of Livestock Dust per animal. Apply the dust to the poll, neck, (top and sides), and back and upper sides. Repeat application every 3 weeks.

FOR BEEF CATTLE, HORSES, AND HOGS—To control Horn Flies, Fleas, and Lice, apply 1 to 2 oz. per animal. Repeat application when necessary or when re-infestation occurs.
