NET WEIGHT 14 OZS.

CAUTION: Keep Out of Reach of Children

SEE BACK PANEL FOR OTHER CAUTIONS.
 ACTIVE INGREDIENTS:

0.125	0.500
0.052	0.052
	26
	10.000
	100.000

INERT INGREDIENTS:

Feb 1 1968
 299-125

TO OPERATE: Remove fish, birds, and pets from areas to be treated. Hold can upright and spray infested surfaces only until wet.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS: Spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves. Spray ant trails and areas around door sills and window frames where the pest enter the premises. Repeat treatment as required.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into crack and under carpets where insects may be found. Treat crevices, cracks, or closets and infested areas of shelvings. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS: For outdoor use only as an aid reducing annoyance from these insects. Spray outside surface of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS OUTDOORS: For treatment of localized infestations of these insects in outdoor areas, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as re-infestations occur.

WARNING: Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Exposure to temperatures above 130 degrees Fahrenheit may cause bursting. Keep away from eyes or other mucous membranes. Avoid inhaling. Keep out of reach of children. Avoid contamination of feed or food stuffs. Do not use on household pets or humans. Harmful if swallowed. Avoid contact with skin. Wash thoroughly after using.
