Martin's **HORSE-WIPE** Repellent-Insecticide-Coat Gloss is specially formulated for use on horses. **HORSE-WIPE** gives long-lasting repellent action. Kills flies, mosquitoes, gnats on contact. **COMBATS** dull, dry hair. Penetrates and conditions hair and leaves a sleek, satiny shine.

### DIRECTIONS

- Before application, brush or curry comb the animal to remove loose dirt and debris.
- Moisten a heavy cloth (terrycloth is preferred) with Martin's **HORSE-WIPE** and apply by rubbing briskly against the growth of hair. Add Martin's **HORSE-WIPE** as needed to cloth to apply one to two ounces daily, depending on size of animal.
- Give special attention to the face, legs, shanks, shoulders and neck.
- Groom with a brush to a high gloss shine.
- One application per day is recommended, preferably in the morning.

**CAUTION:** Do not store, pour or use near open flame or heat. Do not contaminate food or feedstuffs. Avoid using excessive amounts of Martin's **HORSE-WIPE** on your animals. For external veterinary use only.
