

## STORAGE & DISPOSAL

**STORAGE:** Store in original container until used. Do not store, use, or spill near heat or open flame. Store out of reach of children and domestic animals.

**DISPOSAL:** Do not re-use empty container. Rinse thoroughly before discarding in trash. Securely wrap original container in several layers of newspaper and discard in trash.

For use in and around the home. Spray infested surfaces until wet. For spot application only. Do not use as a space spray. Do not use in edible product areas or food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

**Roaches, Ants, Waterbugs, Silverfish, Sowbugs, Springtails, Spiders, Firebrats, Crickets, Earwigs:** Spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, ant trails, and other localized areas infested with insects. Spray around window frames and door frames where ants enter. Repeat as necessary.

**Carpenter Beetles:** Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks, and infested areas of shelving in closets. Repeat as necessary.

**Brown Dog Ticks:** Spray infested areas around baseboards, window and door

frames, wall cracks, sleeping quarters of pets and localized areas of floors and floor coverings. Repeat as necessary. Bedding should be replaced in animal quarters after treatment. Do not treat animals.

**Flies, Mosquitoes, Wasps, and Flying Moths - Outdoors:** For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames, or wherever these insects may enter the room. Also treat surfaces around light fixtures or porches, in garages, and other places where these insects alight or congregate.

**Chiggers and Brown Dog Ticks - Outdoors:** For treatment of localized infestations of insects. Spray weeds and brushy noncrown areas. Repeat as necessary.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS & DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed. Do not use on household pets or humans. Avoid contact with eyes, skin, and clothing. Avoid breathing vapors or spray mist. Keep away from food, feedstuffs, and domestic water supplies. Wash thoroughly after handling. Do not permit children or pets to contact treated surfaces until spray has dried. Treated areas should be vacated during application.

### STATEMENT OF PRACTICAL TREATMENT

**If swallowed** - Call a physician or Poison Control Center immediately. **DO NOT INDUCE VOMITING.** Vomiting may cause aspiration pneumonia.

**If inhaled** - Remove victim to fresh air. Apply artificial respiration if indicated.

**If on skin** - Remove contaminated clothing and wash affected areas with soap and water.

**If in eyes** - Flush eyes with plenty of water. Call a physician if irritation persists.

**NOTE TO PHYSICIAN:** Product contains a high percentage of light petroleum distillate. Gastric lavage is indicated if product was taken internally. Product is an organophosphate insecticide. If symptoms of cholinesterase inhibition are present, atropine by injection is antidotal. 2-PAM is also antidotal, and may be administered but only in conjunction with atropine.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Do not apply directly to lakes, streams, or ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

This pesticide is highly toxic to bees exposed to direct treatment or to residues remaining on sprayed plants. Do not apply when bees are actively visiting plants becoming in the area to be sprayed. Applications should be timed to provide the maximum possible interval between the time of spraying and the next period of bee activity.

### PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame. Do not store below 32 degrees Fahrenheit.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
