

[303-39]

ACTIVE INGREDIENTS 100%

Petroleum Distillate, 99.697%; N-Octyl Bicycloheptene Dicarboximide, 0.161%; Technical Piperonyl Butoxide*, 0.098%; Pyrethrins, 0.049%.

*Consists of .078% (butylcarbityl) (6-propylpiperonyl) ether and 0.20% other related compounds.

Warehouse insects: An effective insecticide for the accessible stages of grain weevil, grain moth, and similar warehouse pests.

Flies, mosquitoes and gnats: Close doors and windows. Direct spray to ceiling. Fill room with mist and keep closed 10-20 minutes. Sweep up dead or stupefied insects. Repeat when necessary.

Ants: Spray nests or runways. Repeat when necessary.

Bed bugs: Spray springs, mattress buttons, seams, cracks and crevices in woodwork, under loose wallpaper, and around mouldings. Repeat when necessary.

Clothes moths, carpet beetles and fleas: Thoroughly spray cracks in floors and under baseboards. Remove any wool lint or organic matter. These are breeding places. To store clothing, clean, air and spray from a distance of 1 to 2 ft. Carefully spray seams and folds. Liberally spray closets twice a month, directing spray on garments. For fleas, repeat treatment of floor, floor coverings, baseboards and animal quarters frequently. For carpet beetles, pay particular attention to application to baseboards, floors, areas under carpets and in closets, behind radiators, closet shelves and infested surfaces of carpets.

**CAUTION: KEEP OUT OF REACH OF CHILDREN
COMBUSTIBLE MIXTURE: DO NOT USE, POUR, SPILL
OR STORE NEAR HEAT OR OPEN FLAME.**

Harmful if swallowed. Avoid contact with skin. Avoid breathing of spray mist. Wash with soap and water after using. Avoid contamination of feed and food stuffs. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product as a space spray in these areas, apply only when plant is not in operation. Do not remain in treated areas and ventilate the area after treatment is completed. Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place. Do not use on household pets or humans.
