

[303-48]

An effective insecticide for the accessible stages of confused flour beetles, grain weevils, cigarette roaches, flies, gnats and drug store beetles. It can be used in flour mills, grain elevators, food processing plants and bakeries.

DIRECTIONS

FOR WHEAT INSECTS - Apply in coarse spray to the leg supports, wall boards, bins, box cars, foot conveyors, tracks and unloads, and all other surfaces where insects crawl or rest. Spray 1/2 gallon per thousand square feet. Repeat treatment as necessary.

FOR FLIES, MOSQUITOES AND GNATS - Close room; spray mist vigorously in all parts of room, using two to three ounces for each 1,000 cubic feet of space. Leave room closed for at least 10 minutes. Repeat as needed.

FOR ROACHES AND WATERBUGS - Apply in all cracks and crevices in woodwork, underneath sinks, dark places behind pipes, and in all places where roaches and waterbugs infest, contacting as many insects as possible. Repeat the operation as often as necessary.

FOR CLOTHES MOTHS, CARPET BEETLES - Spray all articles to be protected, giving particular attention to folds and seams. Interior surfaces of storage containers such as closets, chests and trunks should be regularly sprayed. The treatment should be repeated every thirty days unless the articles are stored in a moth tight container.

Note: Do not remain in treated areas and ventilate the area after treatment is completed.

ACTIVE INGREDIENTS: Petroleum Distillate, 96.85%; P-peronyl Butoxide, technical, consists of 2.4% Butylcarbitol; 16-propylperonyl ether and 0.6% related compounds, 3.00%; Pyrethrins, 0.15%; 100.00%.

CAUTION: KEEP OUT OF REACH OF CHILDREN

Combustible mixture. Do not spray or pour near open flame. Avoid contamination of foodstuffs. Avoid breathing of vapor. Avoid contact with skin. Do not take internally. Contains Petroleum Distillates. Harmful if swallowed. Do not use as a space spray in food processing plants when plant is in operation. All food and food processing surfaces should be removed or covered during treatment. Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.
