BEAUCOUP®

Germicidal Detergent

PRODUCT NUMBER 102614

Beaucoup is a concentrated multi-purpose germicide detergent for pre-cleaned hard surfaces in waters up to 350 ppm hardness (calculated as CaCO_3). Effectiveness in hard water was demonstrated by the AOAC Use Dilution Confirmation Test. Beaucoup's powerful formula disinfects, cleans, and deodorizes in one labor-saving step in soft water. Beaucoup is effective against the following pathogenic organisms on inanimate hard surfaces:

Pseudomonas aeruginosa	Proteus vulgaris	Trichophyton interdigitale
Staphylococcus aureus	Mycobacterium tuberculosis	Streptococcus pyogenes
Staphylococcus aureus phage 80	Shigella flexneri	Enterobacter cloacae
Staphylococcus aureus phage 81	Salmonella typhi	Klebsiella pneumoniae
Staphylococcus epidermidis	*Adenovirus Type II	Proteus mirabilis
Salmonella choleraesuis	*Vaccinia	Shigella sonnei
E. coli	*Influenza A2 (Hong Kong)	Enterococcus faecalis
Serratia marcescens	*Herpes simplex Type I	Enterobacter aerogenes

*P. aeruginosa, Type 1

*Classified by Underwriters Laboratories, Inc. as to electrical conductivity when used on conductive floors and spontaneous heating. Beaucoup for use with listed electrically conductible flooring of the vinyl type "378Y".

DILUTION: 1 to 120 ONE OUNCE PER GALLON

DIRECTIONS:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

USES: Floors, walls, metal surfaces, painted surfaces, exterior bowl surfaces, empty basins, instruments, showers, conductive flooring, and lavatory fixtures.

For institutional use only such as for use in hospitals and nursing homes, schools and colleges, medical and dental offices, veterinary clinics, and farms.

APPLICATION: Apply with mop, sponge, or cloth as well as soaking. Thoroughly wet surfaces with the recommended use solution for at least ten minutes. The recommended use solution is used once and discarded. Rinsing is not necessary on floor surfaces unless floors are to be waxed or polished.

For disinfecting and cleaning surfaces with moderate amounts of organic soil, remove gross filth and heavy soil deposits before applying the use solution of 1 ounce of Beaucoup per gallon of soft water.

For disinfecting in the presence of hard water or for the treatment of instruments, remove heavy soils and thoroughly clean the surfaces before applying 1 ounce of Beaucoup per gallon of water with hardness up to 350 ppm (as CaCO_3). Tuberculocidal effectiveness is in ten minutes at 20°C.

For use in official establishments operating under the Federal Meat, Rabbit, Poultry, Shell Egg Grading and Egg Products Inspection Programs, Beaucoup is acceptable as a floor and wall cleaner for use in all departments. Not for use on food contact surfaces. Before using Beaucoup, food products and packaging materials must be removed from the room or carefully protected. After use, all surfaces in the area must be thoroughly rinsed with potable water.

ACTIVE INGREDIENTS

o-phenylphenol	4.28%
o-benzyl-p-chlorophenol	3.49%
p-tert-aminophenol	1.92%
WATER	90.31%
Total	100.00%

KEEP OUT OF REACH OF CHILDREN DANGER

STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTIONARY: Do not get in eyes or on skin. Causes skin and eye damage. Protect eyes with goggles or face shield and skin with rubber gloves when handling the concentrate. Harmful if swallowed. Cease use if irritation develops. Avoid contamination of food. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling.

STORAGE AND DISPOSAL

PRECAUTIONS: Do not contaminate water, food, or feed by storage or disposal. When dumping is prohibited. Do not reuse empty container.

PESTICIDE DISPOSAL: Pesticide spray mixture, or residue that cannot be used, or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL

PLASTIC CONTAINERS: Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

GENERAL: Consult federal, state, or local disposal authorities for approved alternative procedures such as limited open burning.
