

HI-TOR
germicidal detergent

Staphylocidal, pseudomonacidal, fungicidal and virucidal against many lipophilic viruses on environmental surfaces.

HI-TOR is a product that harmoniously disinfects, cleans and deodorizes. HI-TOR is extremely economical when diluted according to directions.

Recommended for use in hospitals, nursing homes, schools and other public institutions. HI-TOR kills a broad spectrum of disease causing organisms on environment surfaces. Use on inanimate surfaces only. HI-TOR is effective in hard waters containing up to 550 ppm hardness (calculated as CaCO₃). Rinsing is optional.

A.O.A.C. Use Dilution Confirmation Tests:

Kills Salmonella choleraesuis, Staphylococcus aureus, Pseudomonas aeruginosa 1 to 256

A.O.A.C. Fungicidal Test:

Kills Trichophyton interdigitale 1 to 256

"Classified by Underwriters' Laboratories, Inc. as to electrical conductivity when used on conductive floors and spontaneous heating. See UL Index of Classified Products."

DILUTION: 1:256	(one-half ounce per gallon)
DISINFECTANT: 1:256	(one-half ounce per gallon)
Sanitizer: 1:512	(one ounce per four gallons)

DIRECTIONS

USE: HI-TOR may be used on floors, walls, furniture, porcelain, rubber, thermometers, lensed instruments, metals, paint, plastic, tubing, basins, toilet seats, locker rooms and garbage pails.

APPLICATION: Apply with mop, sponge or cloth or soak. Rinsing is not necessary on floors, except if surface is to be waxed or polished. Thermometers must be rinsed after soaking. Not for use or storage in or around the home environment.

ACTIVE INGREDIENTS: Didecyl dimethyl ammonium chloride 7.5%; Alkyl (C12, 40%; C14, 50%; C16, 10%) dimethyl benzyl ammonium chloride 5.0%; Tetra sodium ethylene diamine tetraacetate 5.2%; Essential oils 0.20% 17.9%
INERT INGREDIENTS: (Inert ingredients include cleaning agents) 82.1%

DAINGER: KEEP OUT OF REACH OF CHILDREN

CORROSIVE. Causes eye damage and severe skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid breathing spray mist. Use with adequate ventilation. Wash thoroughly after handling. Discontinue use if irritation develops. Keep container closed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg white, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probably mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
