

H6-29L

sanitizer-cleaner

H6-29L is an excellent sanitizer-cleaner for equipment and utensils in food processing, dairy industry, bars, restaurants, institutions, and farms. H6-29L is effective in waters up to 750 ppm hardness.

A.O.A.C. GERMICIDAL AND DETERGENT-SANITIZERS TEST Effectiveness against *Escherichia coli* and *Staphylococcus aureus*

SANITIZER 1:120

ONE OUNCE PER GALLON

DIRECTIONS

General Classification

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL USE DIRECTIONS: Add one ounce per gallon of water. Use H6-29L for sanitizing and cleaning of equipment and utensils in Federally Inspected Meat and Poultry plants, food processing, dairy industry, bars, restaurants, institutional kitchens, farms, and wherever sanitizing may be desirable. No rinse is required.

APPLICATION: Apply with sponge or brush. Also spray or soak. For heavily soiled equipment or utensils remove heavy soil then thoroughly wet surfaces with recommended dilution of H6-29L.

RESTAURANT AND BAR USE: Dishes, glassware, silverware, cooking utensils wash with detergent, rinse thoroughly, and immerse in a solution of 1 oz. gal. of H6-29L. No rinse is required.

Before use in Federally Inspected Meat and Poultry food processing plants, remove food products and packaging materials must be removed from the room or carefully protected. A pre-rinse is not required following use of these compounds on previously cleaned hard surfaces provided surfaces are adequately drained before contact with food so that little or no residue remains.

STORAGE AND DISPOSAL

This product must be kept under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

- Do not contaminate water, food, or feed by storage or disposal.
- Open dumping is prohibited.
- Do not reuse empty container.

PESTICIDE DISPOSAL: Pesticide spray mixture or residue that cannot be used or chemically reprocessed should be disposed of in a sanitary manner for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL: Triple rinse for equipment and dispose in an incinerator or landfill approved for pesticides or bury in a safe place. Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.

ACTIVE INGREDIENTS: Hexyl 160% C14 30% C16 5% C12 5% C18 dimethyl benzyl ammonium chloride 1.28%
 Sodium Carbonate 1.28%
 Methyl 1.00%
 9% 44%

WARNING: KEEP OUT OF REACH OF CHILDREN

Precautionary Statements

Hazards to Humans and Domestic Animals
