CAUTION: KEEP OUT OF REACH OF CHILDREN

May be harmful if swallowed. Avoid contact with eyes and skin.

FIRST AID: If swallowed, do not induce vomiting. Call a physician immediately. In case of contact, flush eyes with plenty of water for 15 minutes. For eyes, call physician immediately.

DIRECTIONS

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

GENERAL USE: Floors, walls, lockers, showers, lavatory, exterior bowl surface, and furniture.

APPLICATION: For cleaning and deodorizing, apply Hunto-Pine diluted 6.5 ounces per 2 gallons of water with mop, sponge, or cloth. For heavy duty cleaning, increase amount of Hunto-Pine according to amount of soil. For disinfecting after cleaning, use 6 1/2 ounces of Hunto-Pine per 2 gallons of water for a minimum contact time of 10 minutes in a single application. Apply with a mop, sponge, cloth, spray, or soak thoroughly wetting the surfaces. Rinsing is not necessary on floors except if surface is to be waxed or polished.

STORAGE AND DISPOSAL

- Do not contaminate water, food, or feed by storage or disposal
- Open dumping is prohibited
- Do not reuse empty container

PESTICIDE DISPOSAL

Pesticide, or rinseate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL

Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

GENERAL

Consult federal, state or local disposal authorities for approved alternative procedures such as limited open burning.
