OCT 29 1991
Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under
EPA Reg. No. 305-30

REPEL 100

- 100% DEET Formula
- Protects for up to 10 hours
- For severe conditions
- Withstands water, perspiration and wear
- The most concentrated insect repellent you can buy

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all directions before using this product.

Apply over all exposed skin to repel mosquitoes, ticks, and biting flies. To apply to face and neck, dispense on palm and rub on. Do not spray in enclosed areas. For chiggers, ticks and fleas, apply to socks, tops of shoes and around other openings in outer clothing. Use just enough repellent to cover exposed skin and clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin and clothing with soap and water. Do not apply to synthetic fabrics. May be used on cotton and wool. **MAY DAMAGE FURNITURE FINISHES, LEATHERS, PLASTICS, PAINTED SURFACES AND WATCH CRYSTALS.**

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS — CAUTION — HARMFUL IF SWALLOWED

Do not apply to eyes and mouth. May cause eye injury. Do not spray directly on face. Do not apply to hands of young children. Do not apply to severely sunburned or otherwise damaged skin.

PRACTICAL TREATMENT: Use of this product may cause skin reactions in rare cases. If so, wash treated skin, call your local Poison Control Center. If in eyes, flush with plenty of water. If irritation persists, get medical attention. If swallowed, contact a Poison Control Center.

DISPOSAL:

Do not reuse container. Wrap container and put in trash collection.
