Gentlemen:

Subject: Potable-Aqua Tablets
EPA Registration No. 305-37
Your Submission Dated April 28, 1986

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

- 1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

The submitted data are accepted in support of the claim for efficacy against Giardia lamblia when the product is used at two tablets per quart or liter of "worst-case" water with a contact time of at least 20 minutes.

- 2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. The featured claim "Effective Against Giard' * lamblia" should be keyed with an asterisk to the use directions for two tablets per quart or liter of water. Additionally, these use directions should be expanded to include the phrase ". . . and for Giardia control."

- b. The type size of the featured claim should not be larger than the heading "Directions." Please note also that the minimum type size required for any wording in the text of the labeling is 6 point.
- c. The following Statement of Misuse must be included immediately below the heading DIRECTIONS:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- 3. Submit five (5) copies of your final printed labeling before you release the product for shipment bearing the amended labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,
