UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

12 APR 1995

Jean Killoren, Regulatory Coordinator  
Wisconsin Pharmacal Company, Inc.  
1 Repel Road  
Jackson, WI 53037

Dear Registrant:

Subject: Application for Pesticide Amendment for  
Repel Insect Repellant Scented Family/Sportsman Repel  
Insect Block IPF 30  
EPA Reg. No. 305-39  
Submission dated October 7, 1994

The labeling referred to above, which adds an additional brand name, requests an alternate formula and adds marketing claims and was submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

To comply with the DEET Label Improvement Program (see PR Notice 91-4) add the statement. "If you go to a doctor, take this repellent with you." after "... Poison Control Center."

If you have any questions, please contact Virginia Dietrich at (703) 305-5063.

Sincerely,

13/

Richard P. Keigwin, Jr.  
Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (7505C)

- \* Repels mosquitoes, biting flies, chiggers, ticks and other flying insects.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in manner inconsistent with its labeling. Read all directions before using this product. Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

For Exposed Skin areas to repel flies, gnats and mosquitoes: Use as directed above. Do not apply to eyes and mouth. Do not apply to the hands of young children. Do not spray directly on face. For treating face, spray in palm of hand, rub palms together and rub on face. Do not apply over cuts, wounds, or irritated skin.

For Clothing to repel ticks, fleas and chiggers: Apply along all openings of the clothing, cuffs of trousers, tops of socks, shoes, hats and areas of clothing which may contact the ground, weeds or other growth.

## PRECAUTIONARY STATEMENTS

### Hazards to Humans

**CAUTION:** Causes eye irritation. Harmful if swallowed. Do not let children rub their eyes if hands have been treated. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center.

### Statement of Practical Treatment

**IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists.  
**IF SWALLOWED:** Call a physician or Poison Control Center.

### Physical Hazards

**EXTREMELY FLAMMABLE:** Contents under pressure. Do not use near fire, heated surfaces, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. May damage plastics, varnished or painted surfaces. May be used on Nylon, Orlon, wool or cotton. DO NOT apply to synthetic fibers.

## STORAGE AND DISPOSAL

**Storage:** Store in original container in cool, locked storage area away from heat and open flame.

**Disposal:** Replace cap and discard containers in trash. Do not incinerate or puncture. Securely wrap original container in several layers of newspaper and discard in trash.

Note: \* Optional marketing claims that may or maynot be placed on label or other literature.
