DIRECTIONS FOR USE

It is a violation of Federal Law to use this product inconsistent with its labeling.

**Read all directions before using this product.**

DO NOT APPLY TO EYES AND MOUTH. Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion.

Do not spray in enclosed areas. Do not spray directly on face.

To apply to face, dispense on palm of hand and spread on face and neck. Do not apply over cuts, wounds or irritated skin. Do not apply to the hands of young children. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

Works on clothing too: Spray shirts, pants, and hats. For ticks, chiggers and fleas apply to tops of shoes and socks and around opening in outer clothing.

STORAGE: Store in a cool, dry place inaccessible to children and pets.

DISPOSAL: Do not reuse empty container. Wrap and dispose of in trash.

PRECAUTIONARY STATEMENTS:

HAZARD TO HUMANS AND DOMESTIC ANIMALS. WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reactions in rare cases.

Statement of Practical Treatment: If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. If swallowed: Contact a physician or Poison Control Center. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

PHYSICAL AND CHEMICAL HAZARDS: FLAMMABLE - Contents under pressure. Do not use or store near heat or open flames. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting. Do not apply to synthetic fabrics such as acetate, rayon or spandex. Will not damage cotton, wool and nylon. May damage furniture finishes, leather, plastics, painted and varnished surfaces including watch crystals, automobiles and guns and bows.
