Back Labeling

**Directions for Use:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

(One of the following directions for use is required based on the formulation type/packaging.)

(1. Lotion/Cream formulations, ex. squeeze tube)  
To repel insects, apply a smooth even layer on exposed skin areas. Reapply once as needed. Do not apply more than twice per day.

(2. Spray-able Lotion, example spritzer)  
(SHAKE WELL BEFORE USE.) To repel insects, spray on exposed skin, spread evenly with hands after application. Do not spray in enclosed areas. If used on the face, spray on palms of hands first and then apply sparingly, avoiding eyes and mouth. Do not spray directly onto face. (Use on clothing may cause discoloration.) Reapply once as needed. Do not apply more than twice per day.

**STORAGE AND DISPOSAL:** Store in a cool, dry place. Do not reuse empty bottle. Wrap and dispose of in trash.

**Precautionary Statements: Hazard to Humans.**  
**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Harmful if swallowed. Do not allow children to handle this product. Do not use on children under the age of three years. May cause skin reactions for some people. Discontinue if irritation or rash appears. Do not apply over cuts, wounds or irritated skin.

**First Aid: If in eyes:** Hold eyelids open and flush slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice.

**Physical or Chemical Hazards:** Combustible. Do not use or store near heat or open flame.
