 x Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product: Repel
25 RTU

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

WPC BRANDS, INC.
1 Repel Road
Jackson, WI 53037

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No.305-61".
- b. Add the statements, ☒If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.☒, to the precautionary statements on the label.

Signature of Approving Official:

See page 2

Date:

February 21, 2003

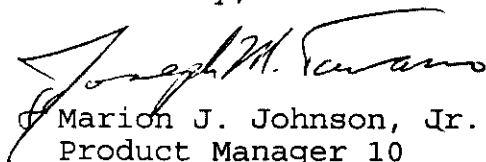

Once the new guidelines for Efficacy have been published, you will be required to submit the required Efficacy data. You will be notified at that time.
EPA Reg. No.

3. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marion J. Johnson, Jr.
Product Manager 10
Insecticide Branch
Registration Division (7505C)

Back label

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Apply over all exposed skin areas to repel biting insects. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray in enclosed areas. Do not spray directly on face. If used on the face, spray on hands first then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid over-application. When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands.

- ❖ Works on clothing too: Spray shirts, pants, and hats. For ticks, chiggers and fleas apply to tops of socks and around opening of outer clothing.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

STORAGE: Do not contaminate water, food, or feed by storage and disposal. DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: call your local solid waste agency (or 1-800-CLEANUP) for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:

HAZARD TO HUMANS. WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Do not apply over cuts, wounds or irritated skin. Use of this product may cause skin reactions in rare cases. Do not allow children to handle this product. Wash hands before eating, drinking, chewing gum, or using tobacco.

**ACCEPTED
with COMMENTS
In EPA Letter Dated:**

FEB 21 2003

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under EPA Reg. No.
305-61
